## Thin Watches

We have a good stock of watches of every kind just now, but we just wanted to speak of the thin gentleman's watch.

Lots of men like a watch so thin that they will not feel it in the pocket and which will not show its shape on the vest.

We have the Waltham Opera style, the Green Verithin, the Hamilton and other reliable makes.

Most of these watches are sold at prices established by the factories, which gives you the assurance that you pay us here in Rupert no more than if you were in Montreal.

## BARON SIDNEY SONNINO

Italian Foreign Minister  
Had British Mother

Friction at the Peace Conference over the secret treaties and Wilson's fourteen points lends particular interest to the Italians who are figuring in the controversy. One of the foremost of these is Baron Sidney Sonnino, Italy's Minister of Foreign Affairs.

Thoroughly familiar with European affairs, commercial, financial and diplomatic, his clear view and analysis of the problems confronting the nations, have made him a strong figure in this great gathering.

ST. MAXWELL

Baron Sidney Sonnino was born in Alexandria, Egypt, in 1850. His father's family is one of the oldest Leghornese families and his mother was a member of one of the oldest British families. He graduated in law about the time he attained his majority, and immediately entered upon his diplomatic career as an attaché, serving in that capacity for several years. In 1881, at the age of 30 years, he was elected member of the Italian Chamber of Deputies for the College of Rocca San Casciano. He was Minister of the Treasury in the Crispi cabinet from 1893 to 1896. After ten years of public life as leader of the constitutional party of opposition he was appointed Premier in 1906, and served for 100 days, when he resigned. In December, 1909, he was again appointed Premier, and in March of the following year, again resigned. On November 5, 1914, he entered the Salandra Cabinet as Foreign Minister, and has served continuously throughout the war with the Bosselli Ministry and the Orlando Ministry.

Sonnino is considered one of the strongest and most prominent Italian financiers and a man of great character, even by his most bitter political opponents. He prefers acting rather than talking and the Italian people have great confidence in his policies.

#### DANCING AND SPORT

To the Editor,  
Don't you think, sir, that the people of this town are about fed up on dances. Nobody ever seems to think of any other kind of amusement. Not that I care, because I do not dance myself and I am not looking for amusement, but should like to see something else going sometimes for the good of the place and especially for the youngsters who are under fifty.

This dancing seems to me like a curious way of spending your evenings, Mr. Editor. I suppose it is all right to go whirling around and side-stepping and chasseying back and forth all with a damsel hanging on to you, but to me as a man who never indulged in such a scandalous performance it seems queer. Yes, sir, it seems queer and sometimes with so much back and chest on view I should feel shy if I was some of the young gents that I see doing it.

Take it from me, sir, this dancing may be all right, and I am not saying that it is anything else, but I would like to see some healthy sport for a change in this town. Where is the boys what play baseball and football? They do not seem to care much about the games or they would turn out sometimes, especially the football players, now the weather is not very hot.

Yours for clean sport,  
A NEW ARRIVAL.  
P. S.—My Chiropractic is not very good but perhaps you can make this out.
