## THREE ATTRACTIONS AT EMPRESS THEATRE

Mae Murray in "Face Value," Alice  
Howell in "Automaniacs" and  
a Funny Comedy.

Mae Murray in "Face Value" is one of the three attractions at the Empress Theatre this evening. She appears in one of the most stirring and lively photo-plays which abounds with swift action and numberless thrills from start to finish. Founded on Robert Lenard's great dramatic production, this is a play which is bound to attract a full house. Then there is Alice Howell in "The Automaniacs." Alice Howell is one of the most famous of comedy stars and this comedy is a winner.

The third feature of the evening is that given by John Bunny and Flora Finch in "Changed Baggage Checks." The very title is significant and the situations that arise through the switching of the checks are among the funniest ever seen.

## JACK PICKFORD AT WESTHOLME TONIGHT

Appearing in their latest Paramount picture "Sandy," Jack Pickford and charming Louise Huff will be highly popular attractions at the Westholme tonight. This is a splendid story of life in Kentucky and every scene is redolent of the aroma of fresh cut blue grass in days reminiscent of those when chivalry ruled.

Sandy is a cheerful, brave Scotch lad, who follows the girl of his dreams to her ancestral home where, after a series of thrilling adventures he makes her his bride. How this is accomplished, is a matter that will interest the old and young alike, and curiosity is satisfied only by seeing the picture.

## SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.  
Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.  
Partnership pre-emption abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.  
Pre-emptors must occupy claims for five years and make improvements to the value of \$100, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.  
Where pre-emptor in occupation not less than 5 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.  
Records without permanent residence may be issued provided applicant makes improvements to extent of \$300 per annum and records same each year. Failure to make improvements if it is not same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.  
Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.  
Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.  
For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

**PRE-EMPTORS' FREE GRANTS ACT.**  
The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.  
**TOWNSITE PROPERTY ALLOTMENT ACT.**  
Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. The land considered available for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown to or by any municipality. The rights of persons to whom the purchaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to lots and lands of the Crown sold at public auction.  
For information apply to any Provincial Government Agent or to  
G. R. NADEN,  
Deputy Minister of Lands,  
Victoria, B. C.

## STOP LOOK and LISTEN

before purchasing a baking powder that may possibly contain injurious ingredients. Many food scientists claim that baking powder containing alum is unsafe for use in food. The mere fact that some brands of baking powder have the words "No Alum" on the label is not sufficient proof that they are what they are represented to be. Our chemists find a good many have "No Alum" on the outside but large quantities of it inside.

## SOCIAL

Mrs. C. H. Orme is suffering from a severe cold and has been confined to her bed for several days.

Mrs. W. S. Fisher, of Fourth Ave., E., entertained at bridge on Thursday about twenty-five ladies being present.

One of the attractions at the Easter services last Sunday was the singing of Mrs. McMillan from Balmoral cannery, at the Baptist church. Mrs. McMillan was spending the Easter season with her sister, Mrs. C. Elkins.

The many friends of Mrs. H. McCall are pleased to know that she has so far recovered from her recent attack of the flu to be able to return home. Mr. McCall is improving also, and will return to Prince Rupert in the near future.

The pupils of the high school are making the most of the Easter vacation and several parties have been given. On Thursday evening Miss Bernice Palmer entertained some of her school friends, and Friday evening Miss Constance McMullin also had a party for her chums.

Prince Rupert musical circles will regret to learn that Mrs. Aivazoff has gone south and expects to be away for some months. She will accompany her husband on a trip through Canada and the eastern States. Mrs. Aivazoff's talent is always a leading attraction at any entertainment here, and will be very much missed.

The young ladies of "Hill 60" Chapter I.O.D.E. have been working like Trojans this week to make a success of their sale of work today. Such a turning out of trunks as there has been in search of articles which could be parcelled up and exchanged for two bits. They certainly deserve to have a very successful affair.

Mrs. R. M. Walker was "at home" to her friends Wednesday afternoon for the first time since her marriage. A great many ladies took the opportunity of calling on her in her cosy suite in the Waldron. Her mother, Mrs. Patmore, received with her, and those assisting with the tea were Mrs. de Gex, Mrs. McNeill, Mrs. Duly, Mrs. Smith and the Misses Pringle and Curtin. Two dainty little flower girls attended the door.

## ONE MAN KILLED IN CONNAUGHT TUNNEL

(Special via G. T. P. Telegraphs.)  
Vancouver, April 25.—Eleven men were in Connaught Tunnel on Monday at the outbreak of fire which held up through transportation on the Canadian Pacific railway for a day. All escaped except August Olson, watchman. The fire broke out from an unknown cause in 30 drums of gasoline and kerosene used in mining machine motors.

Mr. Hanson, formerly U. S. consul at this port, has been appointed to the consulate at Liege and left Washington for New York last week. He is expecting to embark for Antwerp today.

## READ THIS TESTIMONIAL

Port Simpson, B. C., April 18, 1919.

Harry Hanson, Esq.,  
Prince Rupert, B. C.,

Dear Sir:

Your Hanson Hot Water Coil has been in our range for just one year, and in all this time it has been 100 per cent plus efficient. I use the "plus" advisedly for not only has the coil provided an abundance of not warm but HOT water at all times, but by placing the forty-gallon tank in our large ten by ten bathroom it has kept it cosy in the coldest weather.

Although our range is small, Mrs. Young informs me she cannot see that the baking qualities are affected in the least by the coil.

In your perfection of a modern household necessity, I congratulate you.

Sincerely,  
(Signed) R. B. YOUNG.
