

FARMER DIED FROM A BOIL

The death of a young farmer was recently reported from blood-poisoning, which developed from a boil. Such a small beginning to end so disastrously! Yet this is liable to happen to anyone who allows a sore or wound to become infected.

Thin Watches

We have a good stock of watches of every kind just now, but we just wanted to speak of the thin gentleman's watch.

Lots of men like a watch so thin that they will not feel it in the pocket and which will not show its shape on the vest.

We have the Waltham Opera style, the Green Verithin, the Hamilton and other reliable makes.

Most of these watches are sold at prices established by the factories, which gives you the assurance that you pay us here in Rupert no more than if you were in Montreal.

BANNER OF NATIONALS LOWERED BY THE TIMS

Score of Ten to Five in Favor of the Older Team at Market Square.

Last night at the Market Square the Tiny Tims ball team put to confusion the assaults of their opponents, the Nationals, the score of ten to five giving a pretty good idea of the game. For the victors the sluggers who distinguished themselves were Prudhomme, Frizzell and Hibbard, the first mentioned hitting a home-run. For the Nationals, Smith, Halverson and Morrison batted well. The lineup was as follows: Tiny Tims—Prudhomme, Mitchell, Hibbard, Green, Clapp, Kelly, Anderson, Martin and Frizzell.

Nationals—Smith, Morrison, Halverson, Kergin, Lumquest, A. Mitchell, Selig and Lamby.

"UNCLE TOM'S CABIN" DELIGHTS AUDIENCE

Will Be Repeated Tonight at the Westholme Theatre Along With "Britain's Bulwarks."

The picturization of Mrs. Harriet Beecher Stowe's famous novel, "Uncle Tom's Cabin," the new starring vehicle for Marguerite Clark, was at the Westholme last night and will be shown again tonight. Both the star and photoplay were seen to the finest advantage and both were more than acceptable to the enthusiastic crowd.

There is little variance between the story of "Uncle Tom's Cabin" and the picture, the thread of the narrative being almost unbroken from the opening scene. The main interest of the photoplay, because of the personality of Miss Clark, is centred about Eva and Topsy, both of which roles she plays with equal skill and intelligence.

There is also another of those great war pictures entitled "Britain's Bulwarks," which have been shown exclusively at this theatre, and this picture was held back and was not allowed to be shown until the armistice was signed, as it was taken right on the western front and shows our soldiers laying tracks, and their methods of transporting supplies to the front line trenches.

OWEN WISTER'S GREAT STORY DRAMATIZED

Picture at Empress Theatre is Above the Average—To be Repeated Tonight.

"A Woman's Fool," the dramatized version of Owen Wister's great novel "Lin McLean," was shown to a crowded house at the Empress Theatre last night and will be repeated tonight. It is a great western story full of dramatic situations and with real western punch. It is a feature that should not be missed.

In addition to the big feature there is an Eddie Lyons and Lee Moran comedy and gazette of world events and some cartoons that are top-notchers.

turned soldier as a liability. He is a great asset. Every able-bodied man is a great asset. In fact the human is the one fundamental asset. It is the duty of each and all of us to do everything possible to bring about the rapid assimilation of the returned soldier into civil life. Criticisms, of course, are offered from time to time, but that is to be expected.

"Of 178 appointments to the civil service since last July, 148 were returned soldiers and of the remaining 30, most of them were girls and messenger boys.

"I shall be in town for two or three days, and will then proceed with Mr. Mobley, who is returning tomorrow, to his district, to see how matters governmental are proceeding in that district.

"Northern British Columbia surely has great potentialities and it may interest people to know that seven-eighths of British Columbia is represented by one-eighth of the legislature, which is an indication that what we need in this northern country and in fact in all parts of the province are people and more people."

HOME-MADE BREAD Home bread-making reduces the high cost of living by lessening the amount of expensive meats required to supply the necessary nourishment to the body. The increased nutritious value of bread made in the home with ROYAL YEAST CAKES should be sufficient incentive to the thoughtful housewife to give this important food item the attention to which it is justly entitled. Bread made with Royal Yeast will keep fresh and moist longer than that made with any other. Made in Canada

READ THIS TESTIMONIAL Port Simpson, B. C., April 18, 1919. Harry Hanson, Esq., Prince Rupert, B. C., Dear Sir: Your Hanson Hot Water Coil has been in our range for just one year, and in all this time it has been 100 per cent just efficient. I use the "plus" advisedly for not only has the coil provided an abundance of not warm but HOT water at all times, but by placing the forty-gallon tank in our large ten by ten bathroom it has kept it cosy in the coldest weather. Although our range is small, Mrs. Young informs me she cannot see that the baking qualities are affected in the least by the coil. In your perfection of a modern household necessity, I congratulate you. Sincerely, (Signed) R. B. YOUNG. See HARRY HANSON The Reliable Plumber Phone 489
