PRIZE FIGHT SHOWN TONIGHT AT EMPRESS

"Twenty-One" is First Rate Light Comedy With Fistic Battle As Feature.

Bryant Washburn fans will have an opportunity of seeing him in his latest release and his best picture in the play "Twenty-One," to be shown at the Empress Theatre tonight. "Twenty-One" is adapted from a story written by the clever American author, George Randolph Chester. It teems with action and amusing situations.

The story in brief deals with the arrival at the age of twenty-one of a young man, who has been mollycoddled all his life. Through an amusing series of incidents his rightful place at home is usurped by a professional pugilist. In trying to regain his former place the young man has many adventures, including a battle in the prize ring against a professional boxer.

A thread of romance is attractively woven into the cleverly developed story. All of the scenes offer an opportunity for a higher grade of light comedy particularly adapted to Mr. Washburn's inimitable style.

FIUME HANDS OVER ITS POWERS TO ITALY

Rome, April 29.—Great enthusiasm was aroused at a meeting here today when it was announced that the National Council of Fiume had handed over all the powers of the state and municipality to a representative of the Italian government to be exercised in the name of King Victor Emmanuel.

LOCAL NEWS NOTES

There is a prize fight at the Empress tonight in Bryant Washburn's comedy drama "Twenty-One."

At the meeting of the Hospital Board last night an increase in salary was granted to Miss E. M. Stewart of the Hospital staff. She will receive \$60 per month, beginning May 1.

Divorce! "The one great black spot" of which Cardinal Gibbons complains, will be shown in all its intensity in "The Blindness of Divorce," at the Westholme tonight.

At a meeting of the Hospital Board last night in the mayor's office the question of sending delegates to the hospital convention at Vancouver in July was discussed and it was decided to appoint D. C. Stewart delegate, as he will be there at that time.

A very great need for a tuberculosis sanitarium was brought up at the meeting of the Hospital Board last night by W. E. Collison. The opinion seemed to be that it should be erected in the Hazelton district, on account of the dry climate there. The need will be brought to the attention of the Government.

"THE BLINDNESS OF DIVORCE" TO BE SHOWN

Timely Play at the Westholme Theatre Tonight Deals With Modern Evil.

"Swapping wives and husbands has become as common as swapping horses in our country," declared Supreme Court Justice Frederick E. Crane of Brooklyn, from the bench.

"Marriage is the cheapest thing there is under our laws," he said. "Marry one day and come back the next day and get divorced."

"Divorce is becoming so prevalent in the United States that marriage is getting to be little better than a system of free love," declared Cardinal Gibbons, Archbishop of Baltimore, and recognized as the mouthpiece of the Catholic Church in America.

The dangers of divorce are startlingly shown in the wonderful photodrama of today "The Blindness of Divorce," which will be shown at the Westholme this evening.

SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-forest land.

Partnership pre-emptions abolished, but parties not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$300 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his former, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 50 acres may be leased by one person or company.

PRE-EMPTORS' FREE GRANTS ACT. The scope of this Act is enlarged to include persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSITE PROPERTY ALLOTMENT ACT. Provision is made for the grant to persons holding uncompleted agreements to purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the value of the whole parcel. Two or more persons holding such agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchase from the Crown is made, if all are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.

For information apply to any Provincial Government Agent or to G. R. NADEN, Deputy Minister of Lands, Victoria, B. C.
