

BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again "FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

3 Ottawa St., Hull, P.Q.

"Fruit-a-tives" is certainly a wonder. For a year, I suffered with Rheumatism; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.

The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

LORENZO LEDUC.

In the Letter Box

Editor Daily News,

It is rather trying to one's patience when we read about beauty spots which are never visited by the majority of citizens and the money they cost to make and maintain. What do you think the people coming here care about useless parks? What is wanted is houses, houses, and then houses. If this city has money for parks, it should have money for decent habitations for the people who are coming here, and if conditions were anything like decent would eventually settle.

It would take the descriptive powers of Shakespeare, Dickens, and every pen-pusher since the prophets to call the place I rent and habitate a house. The new comers bring a certain amount of prosperity to this city, and are met with a hold-up on the housing problem as soon as they leave train or boat. Thou shalt not steal, should be made to apply to these house agents who charge exorbitant rents for these miserable so-called houses, as well as the man or woman who picks your pocket. The difference between the two; ah, the difference! One gets a prison sentence and the other controls the magistrate who gives the sentence, while the nation's asset, the working man, lives in squalid surroundings, till we earn enough money to allow us to move to another burg carrying with us the message of warning to fellow workers.—A Would-Be Resident of Prince Rupert.

LIBERAL INCREASES

Brandon, Man., May 2.—Liberal increases in the salaries of practically all civic employees was a feature of the work of the arbitration board now sitting to consider the question of wages and working conditions in the civic employ.

\$50- NO BENEFIT THEN-

Zam-Buk cured him. This money might have been saved by Mr. Z. D. Muro of 722 Papineau Ave., Montreal, had he only known of Zam-Buk sooner. Writing to the proprietors, he said:

"For over a year I suffered with eczema which nothing seemed able to cure. I had treatment from three doctors, which cost me \$50, but none of them were able to cure me. I suffered intensely from the irritation and pain, and I thought I should never get relief, until one day a friend told me about Zam-Buk and I started using it right away. From the very first application I felt better. Zam-Buk relieved the irritation and seemed to cool and soothe the sores. Gradually the sores began to heal, and, with perseverance, Zam-Buk completely rid me of the disease."

"I should like to be able to tell all sufferers from eczema to stop experimenting with useless remedies and use Zam-Buk. By using this balm in the first place they would save themselves needless suffering and expense."

Zam-Buk should be in every home, not only for skin troubles, boils, rashes, pimples, abscesses and ulcers, but also for cuts, burns and scalds, for which it is indispensable. Get a box to-day. It will keep indefinitely and still retain its strength and purity. All dealers, 50c. box.
