TWO HOLIDAYS IN WEEK ENDING 24TH

Retail Merchants Decided to Meet
the Wishes of the Clerks in
This Respect.

The Retail Merchants Association at their meeting Tuesday night received a letter from the Retail Clerks' Association asking that for the week ending May 24 they close as usual on Wednesday afternoon and keep open late on Friday evening preceding the holiday.

The merchants decided to meet the request of the clerks in that respect so that for that week there will be a half holiday on the Wednesday and a whole holiday on the Saturday.

The question of changing the weekly half holiday from Wednesday to Thursday was discussed, but the difficulties in the way proved insurmountable for the present. Nothing can be done until January in any case.

Mr. Gilchrist who has been acting secretary now drops out to make way for the permanent secretary, Mr. Tinker.

MAE MARSH TONIGHT AT EMPRESS THEATRE

Famous Movie Actress to be Seen
in "Money Mad"—Excellent
Comedy.

Mae Marsh, looked upon by many as the greatest of all movie stars, is to be at the Empress Theatre tonight in "Money Mad." While the play is an excellent one it is the girl who is the drawing card in this picture. She is the

girl of a thousand whims, the girl who changes from grave to gay in a moment, the most versatile of all the big figures of the movie world.

A very funny comedy featuring John Bunny and Flora Finch adds much to the gaiety of the evening, and besides that there is the fourth episode of "The Woman in the Web," the great serial which recently commenced, and every episode is a story in itself. It is exciting and interesting.

EMPIRE PREFERENCE IS WELL RECEIVED

London, May 7.—Sir George Perley, Canadian high commissioner, said the government and people of Canada will be much pleased at Great Britain's adoption of the principle of empire preference. He was of the opinion that it would cause increased trade between the various parts of the empire and afford Canada an opportunity of supplying goods to the British markets which formerly came from enemy countries.

Mr. Schreiner, agent general for South Africa, said that all peoples of South Africa would welcome this first step in a direction in which they had long hoped to see the mother country moving. It afforded an opportunity for South African wines and spirits and would likely be productive of great mutual benefit. He hoped the step would result in strengthening empire relations.

Mr. MacKenzie, agent general for New Zealand, said the step was in the direction of the aspirations of New Zealand and hoped the new departure which at present was limited would develop. Anyhow, it would enable the British people to negotiate with other nations on a more equitable basis.

WHY EXPERIMENT?

Food scientists claim that the leavener is largely responsible for the flavor, texture and wholesomeness of your home baking. That on no other one ingredient does so much depend. It is important, therefore, to use a baking powder that you know possesses the necessary leavening qualities.

Contains No Alum

and is the only strictly high class baking powder in Canada selling at a moderate price. Its reputation is built on purity and highest quality.
