\$4 Saved Two Fingers

The fingers were those of Mr. J. W. Bernard, of 539 Craig St. E., Montreal. He says, "A falling beam badly smashed my hand. Two fingers were so severely crushed that the doctors said they would have to be amputated. Naturally I didn't want this, so decided to try Zam-Buk first. I applied Zam-Buk daily, and by the time I had used \$4 worth, the injury was completely healed. My fingers were saved!"

Just another illustration of the healing power of Zam-Buk. Accidents will happen. It may be your turn next. Better get a box and keep it handy. Accidents are less frequent than skin diseases, and remember this—Zam-Buk is just as good for eczema, ulcers, skin diseases, and piles, as for cuts, burns, bruises. All druggists and stores 50c. box, or 3 for \$1.25. Refuse substitutes.

VAGARIES OF CUSTOMS RETURNS ILLUSTRATED

There is some variation in the customs returns from month to month often caused by special importations like new mine machinery or new boats purchased on the other side of the line. This month the returns compared with last year are down. They are \$10,704.40, as compared with \$29,719.91. For other months this year the returns were: January, \$14,300; February, \$20,013; March, \$36,600. Each of these amounts was higher than for last year, the difference in March being very marked.

CADETS BEAT HIGH SCHOOL AT BASEBALL

The Cadets and the High School baseball teams met Wednesday evening in the Market Square and pulled off a very interesting match. The game was a swift one right through, and each team has developed some pretty players. The score resulted in a win for the Cadets by 10 to 7. The Cadets' team consisted of Hill, Smith, Roberts, Bulger, Clapp, Frizzell, W. Mitchell, Geo. Green, and J. Ross, while Geo. Mitchell, Archie Grant, Mike Syrotuck, Rod McRae, D. Cavaliere, John Fotos, C. Currie, Sid. Hunter and L. Suga composed the High School team. The game was umpired by Harry Astoria.

ISLAND FISHING IS NOT VERY SUCCESSFUL

Victoria, May 9.—Owing to bad weather on the West Coast of Vancouver Island, the catch of spring salmon this year so far has been small, and the fish caught have been sold on the fresh fish market. With the exception of the Nootka cannery, none of the West Coast canneries have canned springs this year, and will not open until the regular time in July. Last year they opened early and canned a large number of springs.

The fish salting industry at Sidney Inlet has apparently ceased, and Capt. George Heater, who was operating the plant there, brought the purse-seiner Lena F. down from Sidney Cove a few days ago to Victoria.

Capt. Stanley Fraser, who is now superintendent of the Clayoquot Cannery, came down on the Princess Maquinna a few days ago. He has been up the West Coast some time getting things in shape for the coming season. Capt. Fraser was formerly with the Clayoquot concern, but left several years ago. He captained the cannery tender Bonilla for the Lummi Bay Packing Company last season.

Pardon Us

In a letter to us this lady says in part: "It is the nearest approach to fresh milk and cream."

"It is made in B. C., which appeals rather strongly and is one of the few commodities made in the province which are as good, and even better than their imported rivals."

Mrs. W. asked that her name not be published, but she will pardon this liberty with her initial, we are sure.
