

NURSES ADVISE

Zam-Buk, because they have proved that it does what is claimed for it. Miss E. L. Doney, graduate nurse, of 3220 Michigan Ave., Chicago, says: "I have a patient who suffered terribly with piles. Zam-Buk is the only remedy that gave her relief."

"I have used Zam-Buk myself for the same ailment, also for sores and burns, and have the greatest confidence in it."

"PANTHER WOMAN" IS EMOTIONAL PICTURE

Superb Acting of Olga Petrova
Well Shown in This Picture
Play.

Seldom has the superb acting of the famous emotional actress, Olga Petrova, been shown to better advantage than in the play which was shown last night at the Westholme, "The Panther Woman."

The story is taken from the well known book "Patience Sparhawk and Her Times," by Gertrude Atherton, which has passed through edition after edition. It deals with the evolution of a human soul and gives plenty of play to the superb acting of the great actress.

Judging by the opinions expressed last night, this play will be well attended again tonight and will please another large audience at the Westholme.

GOOD MANY HOUSES TO BE BUILT SOON

Unaccountable Delays are Criticized by Man on Street Who Cannot Understand Inactivity.

D. Zarelli is making arrangements for the erection of three houses, one near the Windsor Hotel on First Ave., the work on which has already commenced. There are also a number of other houses going up in addition to those already mentioned. Capt. Groves is excavating on a lot on Fourth Ave. near the top of the steps next to Mr. Pillsbury's residence.

In all it is estimated that at least twenty houses will be under construction within a week or two and only four of these are to be financed under the fund raised by the recent campaign.

There is a good deal of criticism of the present directors of the Prince Rupert Housing Ltd., for their apparent inactivity in regard to the building campaign. It is stated on the street that men worked hard to secure the money and that when the money was obtained no effort was made to use it, and the scheme has been held up.

Whether or not anyone is at fault, it is clear that the building has not been going ahead as expected.

It is thought that something will be done very soon in regard to the Government housing scheme. South Vancouver is advertising for tenders for the erection of houses under the scheme but the Prince Rupert City Council does not seem to be as active in this regard as is the Commissioner for South Vancouver.

BIG MOVEMENT TO PEACE RIVER COUNTRY

Edmonton, May 15.—A total movement of no less than 102 cars of freight was made to the north country by the E. D. and B. C. Railway during last week. Four hundred and twenty-two persons also travelled towards the Peace over the same line and how very firm is the intention of many of them to make their homes north is evident in the fact that with them went eight cars of live stock, 22 cars of settlers' effects and 72 cars of merchandise.

The past week's business reveals a big increase over that of the previous week. The number of cattle shipped into the country was considerably larger and the same can be said of the effects. Good farm machinery is also being carried north in big quantities and contrary to the expectations of many, new settlers are taking with them the best modern farming appliances that money can buy.

Tractors are being used on many locations and with the appliances of modern methods, increased acreages are being sown with the result that this year will see the Peace and Grand Prairie countries reap a harvest from the biggest area yet cultivated north of Edmonton.

A number of people have advertised furniture for sale in this paper and they have had dozens of customers as a result. Some people want to keep their furniture. They do not advertise.

FARM LOANS for SOLDIERS

How Returned Men Can Become Farmers

EVERY returned man who wants to become a farmer and is qualified for that vocation can get real, practical help through the Soldier Settlement Board.

The Government's programme includes:—

- (1) The securing of land.
- (2) The loaning of capital needed to purchase equipment and live stock, and erect buildings.
- (3) Agricultural training and farm supervision.

The Loans Granted

Loans may be approved by the Loan Advisory Committee, according to the needs of the settler, on the following basis:—

- (1) Up to \$4,500 on the purchase of land.
- (2) Up to \$2,000 on the purchase of live stock, implements and other equipment.
- (3) Up to \$1,000 on the erection of buildings and other permanent improvements.

The first and third are repayable in twenty-five equal annual instalments; the second in four equal annual instalments beginning the third year, no interest being charged for the first two years.

On all these loans the low interest rate of five per cent. will be charged. A cash payment of ten per cent. of the purchase price will be required on the land—but this may be waived by the Board in special cases.

Qualified settlers on Dominion lands may secure loans up to a

maximum of \$3,000 on a plan similar to the above for farm equipment, live stock, and erection of buildings, provided security offered justifies the loan.

To Whom Granted

To be entitled to these privileges a man must have served with an honourable record in the Canadian, Imperial, or British Colonial forces in an actual theatre of war or outside of the country in which he enlisted (service in U.S. or Bermuda not included). Others eligible are:

A British subject who lived in Canada before the war and who was on active service with the Allied Forces in an actual theatre of war.

A member of the Canadian Expeditionary Force who served in Canada only, but is in receipt of a pension for disability occasioned by such service.

These benefits are also granted to widows of such men.

A Broad Policy

All soldiers whose best interests will be served by taking up farms will be assisted. Only suitable land will be approved. That is (a) land that is near to existing railways or organized communities; (b) land that will make money for the soldier; (c) land that will provide a first-class home.
