

CONSTANT PAIN AFTER EATING

The Tortures of Dyspepsia
Corrected by "Fruit-a-lives"

ST. MARTIN'S, N.B.
"For two years, I suffered tortures from *Severe Dyspepsia*. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.
I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-lives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

NEW DAILY PAPER IS IN KETCHIKAN

Ketchikan Daily Times is Advance
Over Older Publications
Which It Replaces.

The first number of the Ketchi-
kan Daily Times has just been
received. It is a first rate paper,
a great improvement over the
Progressive Miner, the place of
which it takes.

The new editor, Bernard M.
Stone, passed through Prince
Rupert recently and seems to be
a live wire. He has proved it in
the first number of his paper
which he promises shall be im-
proved.

The Ketchikan Daily Times is
the only paper in Ketchikan, the
weekly as well as the daily having
been bought out by Mr. Stone.
The first number is typographi-
cally an improvement over the
old paper and he promises an
eight-page daily in the near fu-
ture.

ward to make this a big event and
it is expected that all the natives
from the whole countryside will
be in attendance and that it will

WOMEN ARE IN ARMS AGAINST HIGH PRICES

Meetings Being Held at all Centres
To Make Emphatic
Protest.

Subsequent to conferences with
the Hon. J. M. D. Farris, At-
torney-General and Minister of
Labor, both at Victoria and in
Vancouver, on the subject of how
to attack the high cost of living,
organization is now well under
way on Vancouver Island and on
the Mainland for a campaign of
nation-wide magnitude. Meetings
have already been held in Van-
couver, New Westminster, Na-
naimo and Duncan under the
auspices of a number of energetic
women with the result that at all
points warm approval has been
given to the plan, and local ac-
tion has been promised. For the
Government Mr. Farris has al-
ready given an assurance of co-
operation in the cause.

At the Nanaimo meeting Mrs.
Johnston spoke at length on the
situation that had been brought
about by the abnormal high cost
of the necessities of life, it be-
ing proposed to unite the women
of Canada in a movement to have
the Dominion Government pro-

Not For Profiters.

The women of Canada, she de-
clared, had gone without food
willingly for the sake of the sol-
diers overseas, but they would
not go without food in order that
money be put into the pockets of
profiters. There was a spirit of
unrest abroad and unless the
Government took prompt action
and dealt with the high cost of
living there was no telling what
the results might be. It was time,
the speaker declared, that the
women all over Canada banded
together and made representa-
tions to Ottawa to remedy these
evils. The boycott was of no use
for the simple reason that the
profiters could ship their stocks
out of the country or by means
of the large cold storage plants
could store up even perishable
goods for an indefinite period,
and the purchasing of food sup-
plies by carload lots would not
solve the problem, the speaker
declared, by reason of the fact
that it would not be possible to
supply all who would wish to
purchase.

Suppose That You Decide to Own A WATCH

Suppose that you believe that we
can sell you a good watch.

Suppose that you call, look over
our stock, and decide to take a
Hamilton watch at \$45.00, well—
Twenty years from now you will
still be learning the time from that
watch.

Which is an argument that ought
to be plenty convincing to any watch
buyer.
