Girls of 3 to 14

CHARMING NEW STYLES for School-girls. Dresses that are pretty, neat and inexpensive.

Any girl will be proud of owning one of these dresses, because they are made in the new styles and even the youngsters look for the new things in their clothes.

They come in various combinations of colors in plaid and plain, with many effective trimmings.

Mothers will be delighted with these because they are made so well that they will give unusually long service.

They are clothes that mothers would like to make on their own sewing machines. That's the kind of garment we set out to secure, and we have kept in sight the fact that mothers are very anxious to pay the lowest possible prices.

Adolph Zukor presents

JOHN BARRYMORE
in "On the Quiet"
A Paramount Picture

"ON THE QUIET" is the Broadway success in which Willie Collier played the part of the rattle-brained college boy who went on his good behavior for the sake of a girl with \$20,000.000.

It's better on the screen with John Barrymore as "Bob Ridgway" than it was on the Broadway stage. 11
