MANY EVENTS FOR COL. PECK

Presented With Piece of Plate by Admirers, Entertained by Masons—Left Last Night.

On Saturday evening between thirty and forty friends and supporters of Col. Peck presented him with a valuable piece of plate and entertained him at dinner at the Prince Rupert Hotel. There were several short speeches and an enjoyable time was spent, the party breaking up early.

On Friday evening the Colonel was the guest of the Masonic Order in this city, Tsimpsean Lodge, of which he is a member, being the hosts at an elaborate banquet which was kept up until a late hour.

Yesterday the Colonel with the Great War Veterans Association attended a special service at the Anglican church.

The banquet to have been given the Colonel by the Unionist Association has been indefinitely postponed owing to the member having been called to Vancouver where Mrs. Peck's mother is ill.

Mrs. Siwell**Says****Use Water.**

Mrs. Thos. Siwell says that it took her a long time to learn to use enough water in diluting Pacific Milk for cooking.

She mentions it to us because she thinks others might be using too great a proportion of milk.

In all recipes calling for milk she uses equal parts of Pacific Milk and water—sometimes a little more water and less than half milk.

This is quite the correct way and we give it mention in case you use more than necessary.

It is said officially today, however, that the Germans had not asked for any further delay.

All woollens are safe with Lux

If you have always dreaded to wash the children's sweaters and woollens for fear they'd shrink and thicken—you'll be delighted to know about Lux.

You can wash them as often as necessary—just dip them up and down in the thick, creamy, cleansing Lux lather—no rubbing or twisting—no shrinking or matting of the wool fibers.

They'll always come out of the Lux wash as soft, fleecy and brightly colored as when new.

All silks and dainty fabrics can be safely washed with the pure Lux flakes—they harm nothing that pure water itself may touch.
