SCHOOL PUPILS GET USEFUL PRESENTS

Five Hundred Toothbrushes Given To Children of the City By Dr. Bayne.

There was great excitement at the schools today when the children were presented each with a tooth brush and a capsule of tooth paste by Dr. Bayne, the local dentist. The young folks proudly carried their gifts home but before going were given full instructions by the teachers how to use them.

No less than 500 tooth brushes were given away today to pupils of the public schools.

Your Eye is Like a Camera

THE eye is an optical instrument, similar to a camera in construction, and, like a camera, its intricate system of lenses is sometimes disarranged, so that an improper focus results.

IT is our business to find out if the eyes are in perfect visual condition, and to grind lenses that correct all slight deficiencies.

LET us help you to clear comfortable vision, with a pair of suitable glasses.

IT is an investment well worth considering.
