Trade Agreement Between Great Britain and Canada to Be Announced Soon-Closing Plenary Session is Tentatively Set For Thursday of Next Week

OTTAWA, Aug. 12:-With most of their difficulties behind them, delegates to the Imperial economic conference today breathed an air of optimism and confidence as they entered the final drive towards a successful Empire trade parley. Great Britain and Canada may be expected to announce a commercial pact within the next two or three days, it is intimated. Similar agree-#ments between Great Britain and HOOVER ON other Dominions and India are also HOOVER ON

Thursday next has been fixed tentatively for the closing plenary session when the various agreements will be open to public in-

tomorrow and will spend a few days fishing there before proceeding to Lac la Biche, Alta., and from there to Prince Rupert. .

Von Gronau and his companions will follow a somewhat more southerly route than was taken last summer by Col. and Mrs. Charles A. Lindbergh in their flight across P. F. Rae, Vancouver Financier, Northern Canada and the Pacific Ocean. From Prince Rupert the Germans will go to Alaska and then, by way of the southern tip of SMITHERS.
