# CHURCH WILL TRY TO RAISE \$2,500,000

### Anglicans of Canada Set Out on Big Undertaking for Spiritual Welfare of Country.

The closing session of the Synod of British Columbia was devoted to the consideration of what is termed "The Anglican Forward Movement." This movement the speaker, Rev. Archdeacon Heathcote, explained had two objectives, spiritual and financial, but both are included in this great effort to make the Anglican Church 100 per cent. efficient.

To give the church this efficiency the sum of \$2,500,000 is needed. This is the financial objective of the great movement. The speaker showed in a striking manner the need for this large sum in the various departments of the church. He assured the synod that this movement had been the result of the needs found to exist in all the Christian denominations and the programme about to be launched will be wholeheartedly supported by all the denominations in Canada.

The archdeacon urged all interested in the work of the Christian Church throughout Canada to approach the campaign, when it is launched, in a generous manner.

# ENGLISH MEMORIAL TO BRAVE BELGIANS

### Proposal to Erect Chapel on Site To Be Chosen by Cardinal Mercier.

An influential committee, including Lord Edmund Talbot, Sir Arthur Downes, late Medical Inspector of the Local Government Board, and Sir H. C. Munro, has been formed for the purpose of providing a lasting memorial of English sympathy with Belgium and with the exiles who were driven into this country in consequence of the barbarities of the German invaders.

The memorial is to take the form of a memorial chapel, the site of which is being selected by Cardinal Mercier, and it will be the sanctuary of gifts of great beauty which have been bestowed by sympathisers upon places of worship which were provided for the Belgians during their residence in this country.

The committee, of which Canon Sprankling, rector of the Catholic Church, Weybridge, Surrey, England, which is so closely associated with the French Royal Family, is the treasurer, propose raising £2,000 for the memorial, and any surplus is to be devoted to the restoration of the ruined church to which the memorial chapel will be attached. A church in Lierre has been mentioned as being suitable for the purpose.

# PRINCE RUPERT LADY ON S.S. CASSANDRA WHEN IT STRUCK BERG

### Mrs. E. N. Valentine Among Four Hundred Who Had to Put Back to St. Johns.

Mrs. E. N. Valentine and son were aboard the Donaldson liner Cassandra when she struck an iceberg 160 miles off Cape Race a few days ago. The vessel returned to St. Johns, Newfoundland, with her forefoot stove in from striking the ice. Four hundred passengers were aboard and all are reported well. There will however be very considerable delay in getting to Glasgow.

Mrs. Valentine left here on Saturday, May 10, and joined the ship at Montreal. A number of applications were made here for berths on the steamer, but to the disappointment of the local people the accommodation was sold out. They had to get to Scotland by way of Liverpool.

# FARM LOANS for SOLDIERS

# Cheap Implements, Livestock and Harness

**T**HE Soldier Settlement Board has arranged with manufacturers of implements and harness to give soldier settlers a wide choice of first class implements at prices substantially below those quoted to civilians; and in the Prairie Provinces the United Grain Growers, Limited, will give soldier settlers special prices on implements, wagons, and other commodities.

By collective buying in large numbers for cash, it can also offer soldiers the lowest possible prices on horses and other live stock.

It can supply a good harness set for approximately \$31.50 at point of manufacture.

All these concessions are in addition to the Board's offer to secure for the soldiers good

land, conveniently located, and to give financial assistance in the way of loans to establish them on the land.

### Land and Loans

With certain exceptions, a soldier who has served with good conduct in the Canadian, Imperial or Allied forces in an actual theatre of war or outside the country in which he enlisted (or widow of any such man) may secure loans to purchase land, live stock and equipment and erect buildings—

- (1) Up to \$4,500 to cover the cost of the land and discharge encumbrances.
- (2) Up to \$1,000 to erect buildings. Both these loans to be paid on the instalment plan. Payments extending over 25 years.

(3) Up to \$2,000 to buy implements, live stock, and equipment. The soldier will begin to pay off this loan in the third year, and will have four years to pay.

Only five per cent. will be charged on these loans.

A cash payment of one-tenth the price of the land will be required, except in special cases.

Qualified settlers on Dominion Lands may secure loans up to a maximum of \$3,000 on a plan similar to the above for farm equipment, live stock, and erection of buildings, provided security offered justifies the loan.

If you figure you have more than a fifty-fifty chance to make good as a farmer, write to your Provincial Superintendent at Rogers Building, Vancouver, B. C.
