HOSPITAL BOARD HOLDS MEETING

Will Send Recommendation Regarding Maintenance of Hospital.

The matter of maintenance of the hospital was discussed by the hospital board last night, it being the opinion of the board that this should be undertaken by the provincial government and the city. A recommendation to this effect will be brought before the convention at Vancouver early in July. A committee consisting of Messrs. Williams, McRae, Gibbons and Mrs. Kirkpatrick was appointed to draft a suitable resolution embodying the board's view.

A request from the matron at the hospital to allow pupil nurses a longer vacation was mentioned at the meeting of the board last night and referred to the house committee. At present the nurses get a two weeks' holiday and they are asking for three weeks. The resignation of Miss Edith Fraser was reported to the board. Her place has been filled by Miss Berringer.

SOLDIERS MEMORIAL BENEFIT DANCE BY PROFESSOR HARVEY

Large Attendance at Event Last Night in St. Andrew's Hall.

The War Veterans Memorial fund will benefit very largely from the big dance put on by Professor Harvey last night in St. Andrew's Hall in aid of that worthy cause. One of the biggest dancing crowds of the season was out and from 9:30 to 2 the floor was well filled with young or would be young people all having a good time.

The orchestra which gave its services free of charge consisted of Professor Harvey, Miss Stevens, Mr. Steele and Willie Martin. The hall was also contributed free of charge for the occasion and the Ladies Auxiliary of the Great War Veterans provided the refreshments so that practically the whole of the takings will go to the soldier cause. Ben Self kindly donated the sandwiches for the supper.

Jack Frost kept things going nicely as Master of Ceremonies and Mrs. Harvey was cashier.

SOCIAL AND PERSONAL

Miss Pollard of 8th Ave. entertained at bridge on Thursday evening. Her niece, Miss Scaife, has severed her connection with the G. T. P. and leaves shortly to spend the summer with her sister in Dawson.

Mrs. J. H. Thompson and Master Archie are leaving on Monday to spend a few months with friends in Edmonton.

Miss Edith Fraser, matron of the General Hospital, severed her connection with that institution today and will visit for a month in Anyox before going south to take a post graduate course. Her place is taken by Miss M. B. Berringer of Vancouver, a graduate of Lethbridge General Hospital, who arrived here last Wednesday.

Mrs. John Dawson of Calgary has been the raison d'être for a number of social functions during the past week. Wednesday afternoon Mrs. Bazett Jones entertained for her at bridge; Tuesday afternoon Mrs. S. Dawson had a number of friends in for afternoon tea, and Thursday evening Mrs. F. G. Dawson gave a dinner in her honor.

Mrs. A. E. Gallage has gone to Vancouver, where she will spend several months visiting her parents.

Mrs. James Carmichael entertained a number of her friends at afternoon tea on Thursday. Mr. and Mrs. Carmichael have settled for the present in their cottage on Eighth Avenue East.

Mrs. Willett of the Waldron Apartments had a few friends in for bridge Thursday evening.

The young people of the high school are planning a picnic at Digby Island on Tuesday next, the King's birthday.

PURITY - QUALITY - ECONOMY

With the increased cost of labor and materials due to war conditions, it is not reasonable to suppose that a really first class baking powder can be made and sold at the old prices. Rather than sacrifice the quality of

MAGIC BAKING POWDER

we found it necessary to make slight increases in price during the war period. Even though Magic Baking Powder may cost a few cents more than the ordinary kinds it is still by far the most economical baking powder on the market to-day when purity, strength and leavening qualities are taken into consideration.
