**SYNOPSIS OF
LAND ACT AMENDMENT**

Pre-emption now confined to surveyed
 lands only.

Records will be granted covering only
 land suitable for agricultural purposes
 and which is non-timber land.

Partnership pre-emptions abolished,
 but parties of not more than four may
 arrange for adjacent pre-emptions, with
 joint residence, but each making neces-
 sary improvements on respective claims.

Pre-emptors must occupy claims for
 five years and make improvements to
 value of \$10 per acre, including clearing
 and cultivation of at least 5 acres, be-
 fore receiving Crown Grant.

Where pre-emptor in occupation not
 less than 3 years, and has made propor-
 tionate improvements, he may be granted
 intermediate certificate of improvement
 and transfer his claim.

Records without permanent residence
 may be issued provided applicant makes
 improvements to extent of \$300 per an-
 num and reconveys same to Crown. Failure
 to make improvements or record same
 will operate as forfeiture. Title cannot
 be obtained on these claims in less than
 5 years, with improvements of \$10 per
 acre, including 5 acres cleared and
 cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may
 record another pre-emption, if he re-
 quires land in conjunction with his
 farm, without actual occupation, pro-
 vided statutory improvements made and
 residence maintained on Crown granted
 land.

Unsurveyed areas, not exceeding 20
 acres, may be leased as homesteads;
 title to be obtained after fulfilling resi-
 dential and improvement conditions.

For grazing and industrial purposes,
 areas exceeding 640 acres may be leased
 by one person or company.

PRE-EMPTORS' FREE GRANTS ACT.
 The scope of this Act is enlarged to
 include all persons joining and serving
 with His Majesty's Forces. The time
 within which the heirs or devisees of a
 deceased pre-emptor may apply for title
 under this Act is extended from one
 year from the death of such person, as
 formerly, until one year after the
 conclusion of the present war. This
 privilege is also made retroactive.

TOWNSITE PROPERTY ALLOTMENT ACT.
 Provision is made for the grant to
 persons holding uncompleted Agree-
 ments to Purchase from the Crown of
 such proportion of the land, if divisible,
 as the payments already made will
 cover in proportion to the sale price of
 the whole parcel. Two or more persons
 holding such Agreements may group
 their interests and apply for propor-
 tionate allotment jointly. If it is not
 considered advisable to divide the land
 into allotments, an application for a pro-
 portionate allotment of all taxes due the
 Crown or to any municipality. The
 rights of persons who have agreed to
 sell are also protected. The decision of
 the Minister of Lands in respect to the
 adjustment of a proportionate allotment
 is final. The time for making applica-
 tion for these allotments is limited to
 the 1st day of May, 1919. Any applica-
 tion made after this date will not be
 considered. These allotments apply to
 Crown lands and lands of the Crown sold
 at public auction.

For information apply to any Provin-
 cial Government Agent or to
 O. R. NADEN,
 Deputy Minister of Lands,

**Keep Baby's Woollens
Soft and Sweet**

Even little garments are dear now—you must
 make them last, and of course you want them
 always soft and comfy for the important wee
 person.

The little woollens need never shrink a thread—never
 stiffen or grow thick—not after repeated washings if
 you cleanse them in the pure, creamy Lux lather. It's
 so simple to whip the delicate Lux flakes into a
 rich suds—so simple to squeeze the suds through the
 little garments—then take them out absolutely sweet
 and clean and fresh.

Lux harms nothing that pure water may touch.
