

TO-DAY

In medicines, as in every other necessity, the public is satisfied with nothing but the best! This explains the ever-increasing demand for Zam-Buk. Not only is this great balm the best household remedy to-day, but it is also the most economical.

Zam-Buk's superiority is due to the fact that it is all medicine, containing none of the coarse animal fats or harsh mineral drugs found in ordinary ointments. Again, the medicinal properties are so highly concentrated that they contain the maximum amount of healing, soothing and antiseptic power, so that a little of this balm goes a long way.

Another reason why Zam-Buk is most economical. It will keep indefinitely and retain to the last its strength and purity. Best for skin diseases and injuries, blood-poisoning and piles. All dealers, 50c. box.

MARKET AGAIN GIVES TROUBLE TO ALDERMEN

Discussion Delayed Until Alderman Casey Could be Present to Explain Provisions.

When is a market clerk? What is a market clerk? Why is a market clerk? When will the City Council get rid of the market worry? These are questions the mayor and aldermen would like answered.

Last night an attempt was made to read the new market by-law and consider it clause by clause, but the aldermen became so hopelessly confused before they got far that they refused to continue. The difficulty was that the infant's father, Alderman Casey, was away and the child could not be properly licked into shape without parental aid. Someone suggested facetiously that its mother should also be brought along, but the suggestion was treated with the silent contempt it deserved.

When the proposal was made by Alderman Casey recently that the building should be rented, it was understood that all the worries were over, but last night they all came back when it was found that the troublesome features of the old bylaw had been incorporated in the new.

The bylaw was finally laid over until Alderman Casey should be present.

GREAT RUSH FOR JOBS CALGARY POST OFFICE

Many Returned Soldiers Take the places of Sympathetic Strikers.

(Special by G. T. P. Telegraphs.)

Calgary, June 2.—The offices of Acting Postmaster G. B. Corley and staff was deluged with applicants for the positions as clerks and letter carriers to replace the sympathetic strikers. The corridors from the elevators to the office were jammed with men, a large number being returned veterans who are to enter the service which will be re-organized.

PROTEST WILL BE SENT TO OTTAWA REGARDING DRYDOCK

At the meeting of the City Council last night the Mayor was instructed to draw up a night lettergram of protest against any suggestion of moving the drydock away from the city.

The members of the Council were inclined to treat the matter lightly when it was introduced by Alderman Barrie, but Alderman McRae said it would be useless to holler when they saw it moving down the harbor. He knew that Vancouver had been making eyes at the pontoons for some time past.

The protest will be sent to Hon. C. C. Balantyne.

Sergt. Ponder, a brother of Cons. Ponder, and Sub. Baynes, of the K. B. S., Imperial forces, arrived here Saturday night and have gone out to 25-mile on the Babine trail to look over some land with a view to putting in a herd of cattle.

FARM LOANS for SOLDIERS

Cheap Implements, Livestock and Harness

THE Soldier Settlement Board has arranged with manufacturers of implements and harness to give soldier settlers a wide choice of first class implements at prices substantially below those quoted to civilians; and in the Prairie Provinces the United Grain Growers, Limited, will give soldier settlers special prices on implements, wagons, and other commodities.

By collective buying in large numbers for cash, it can also offer soldiers the lowest possible prices on horses and other live stock.

It can supply a good harness set for approximately \$31.50 at point of manufacture.

All these concessions are in addition to the Board's offer to secure for the soldiers good

land, conveniently located, and to give financial assistance in the way of loans to establish them on the land.

Land and Loans

With certain exceptions, a soldier who has served with good conduct in the Canadian, Imperial or Allied forces in an actual theatre of war or outside the country in which he enlisted (or widow of any such man) may secure loans to purchase land, live stock and equipment and erect buildings—

- (1) Up to \$4,500 to cover the cost of the land and discharge encumbrances.
- (2) Up to \$1,000 to erect buildings. Both these loans to be paid on the instalment plan. Payments extending over 25 years.

(3) Up to \$2,000 to buy implements, live stock, and equipment. The soldier will begin to pay off this loan in the third year, and will have four years to pay.

Only five per cent. will be charged on these loans.

A cash payment of one-tenth the price of the land will be required, except in special cases.

Qualified settlers on Dominion Lands may secure loans up to a maximum of \$3,000 on a plan similar to the above for farm equipment, live stock, and erection of buildings, provided security offered justifies the loan.

If you figure you have more than a fifty-fifty chance to make good as a farmer, write to your Provincial Superintendent at Rogers Building, Vancouver, B. C.
