"FRUIT-A-TIVES" Brought Quick and Permanent Relief

MR. P. H. McHUGH

108 Church Street, Montreal.

December 10th, 1917.

"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists, took medicines, used lotions; but nothing did me good. Then, I began to use 'Fruit-a-tives'; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, 'Fruit-a-tives' overcame my Rheumatism; and now, for five years, I have had no return of the trouble. Also, I had severe Eczema and Constipation, and 'Fruit-a-tives' relieved me of these complaints; and gave me a good appetite; and in every way restored me to health". P. H. McHUGH.

## WAR VETERANS ARE PLEASED WITH TRIP

In a letter to Premier Oliver, C. Wesley Whittaker, president of the Provincial Branch of the Great War Veterans' Association, expresses official pleasure in connection with the recent trip undertaken by the Association's nominee in company with the Hon. E. D. Barrow, Minister of Agriculture.

The letter reads as follows: "The appointee of the Great War Veterans' Association, T. A. Barnard, who accompanied the Minister of Agriculture on his trip up country, has returned. I am happy to say is delighted with the situation as he found it and speaks in glowing terms of the treatment accorded him by the Minister of Agriculture. He states that every facility possible was granted him to make a complete survey of the lands of that area."

It will be recalled that the trip was undertaken by the Minister for the purpose of "spying out" suitable tracts of land adaptable for conversion into settlement areas for soldiers and others. It was to get the soldier point of view on the spot that Mr. Barrow asked the returned men to select a representative to go with him. The above is the result.

## SALE ARRANGED FOR HARRISON CLAIMS

According to reliable information current at Hazelton, the next few weeks is almost certain to see the signing of papers for the biggest individual mining transaction so far consummated in this section of the country, says the Interior News. The consideration is somewhere between two hundred thousand and a quarter of a million dollars and the property involved is the Harrison group of claims located on Whitesail lake. One of the strongest companies on the continent will take the property, and the price set is said to be mutually satisfactory.

The Harrison property consists of twenty-nine claims, the principal groups comprising the Great West, Silver Tip, Silver Bell, Nickle Plate and the Black Bear. It is a silver-lead proposition and assays show the silver and lead to run very high, while there is also a good gold return.

Competent authorities declare this property to possess the strongest surface showing in the country. No work on an extensive scale has yet been undertaken but the deal is made on the exposure of a strong vein, the continuity of which has been established for a distance of a mile and a half.
