## COL. McMORDIE WAS WOUNDED 13 OCCASIONS

Bears Record Among Canadian  
Officers Who Fought in  
Great War.

Lieut.-Col. McMordie, who is a well known citizen of Prince Rupert and who was expected to return home on Saturday but who may be delayed on account of the strike, bears a splendid record for bravery and has been wounded no less than thirteen times. Telling of this the Toronto Globe in a special from Niagara Falls, Ontario, says:

"It is believed the record for number of wounds in the Canadian army is held by Lieut.-Col. S. P. McMordie, who arrived in the city today to visit his brother-in-law, Mayor H. P. Stephens. He was wounded thirteen different times, yet was at Mons with his railway unit when the armistice was signed. He went overseas in 1915 with the 48th Battalion of British Columbia. He first served in the infantry and the Pioneers. Then, losing an eye, sooner than go home he took charge of a railway construction unit and continued in active service. His wife is a sister of Mayor Stephens. Col. and Mrs. McMordie will likely go back to British Columbia to reside."

### WILLIAM S. HART IN "THE RIDDLE GAWNE"

Splendid Production by Big Ma  
of the Movies at the  
Westholme.

"The Riddle Gawne" is said by those who attended the Westholme Theatre last night to be a splendid dramatic production. The ever-popular William Hart is the leading man and he is even more dramatic than usual.

Hart is one of those big powerful men of masterful disposition who carries the audience with him and always has a strong appeal especially with the ladies. That is shown in this play. There was a large attendance and doubtless there will be another big house tonight.

In addition to the big feature the Fox comedy "Social Pirates" is a screamer of no mean order. It is different from the ordinary comedy.

### CHAFFEURS WINNERS OF BASEBALL MATCH

Score of 15 to 8 in Favor of Car  
Drivers Last Night.

A game of baseball which caused much interest was played last night at the market square between the Chaffeurs and the Cadets, the score being 15 to 8 in favor of the former. Jack Kelly acted as umpire and a large number of spectators were present.

The lineup of the teams was as follows:

Chaffeurs—Catcher, Geo. Tite; pitcher, Harry Lauder; 1st base, H. Menzie; 2nd base, Don Graham; 3rd base, J. Robinson; short stop, Harry Astoria; right field, Samuel Weston; left field, Robert Arthur, and centre, John Karkle.  
Cadets—Catcher, George Hill; pitcher, Ralph Smith; 1st base, Geo. Roberts; 2nd base, S. Suga; 3rd base, William Mitchell; short stop, Geo. Mitchell; right field, Tom Sherman; left field, Charles Currie, and centre, Howard Frizell.

### LAKE WILL BE READY FOR BATHING SUNDAY

The sand is all in place at the Salt Lakes and work on the dam has begun. It is expected to have the lake in good shape with the water raised for Sunday so that if the weather is warm those who wish will be able to enjoy a swim and see the new work which has been done at the local summer resort.

Visitors to the lakes will be surprised to see the improvement which has already been made.

The first league baseball game of the season will be played at Acropolis Hill grounds tomorrow evening at 6:30 between the Colts and the Sons of Canada. A good game is expected.

## STOP LOOK and LISTEN

before purchasing a baking powder that may possibly contain injurious ingredients. Many food scientists claim that baking powder containing alum is unsafe for use in food. The mere fact that some brands of baking powder have the words "No Alum" on the label is not sufficient proof that they are what they are represented to be. Our chemists find a good many have "No Alum" on the outside but large quantities of it inside.

### CROWDS OUT TO SEE "HER BODY IN BOND"

There was a crowded house at the Empress last night to see the much talked of story "Her Body in Bond" and they were not disappointed. The story was dramatic and tense and one to be remembered. Mae Murray, as the leading lady, was simply splendid and there will undoubtedly be a big crowd to see the repeat performance tonight.

The eighth episode of "The Woman in the Web" carries the story forward with renewed interest and is being followed by a large number of regular habitués of the theatre with tense interest.

Never forget to look through the classified list on Page 5.

### Synopsis of Land Act Amendments

Minimum price of first-class land reduced to \$5 an acre; second-class to \$2.50 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$500 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased, conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

### PRE-EMPTORS' FREE GRANTS

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of deceased pre-emptors may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.

Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 21, 1920.

### SUB-PURCHASERS OF CROWN LANDS.

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchase, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

### GRAZING.

Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner. Annual grazing permits issued based on number of acres held by members of landed owners. Stock-owners may form Associations for range management. Free, or partially free, permits for other campers or travellers, up to ten head.
