**Your Eye
is Like
a
Camera**

THE eye is an optical instrument,
 similar to a camera in con-
 struction, and, like a camera, its
 intricate system of lenses is some-
 times disarranged, so that an im-
 proper focus results.

It is our business to find out if
 the eyes are in perfect visual
 condition, and to grind lenses that
 correct all slight deficiencies.

Let us help you to clear com-
 fortable vision, with a pair of
 suitable glasses.

It is an investment well worth
 considering.

**Synopsis of
Land Act Amendments**

Minimum price of first-class land
 reduced to \$5 an acre; second-class to
 \$2.50 an acre.

Pre-emption now confined to sur-
 veyed lands only.

Records will be granted covering only
 land suitable for agricultural purposes
 and which is non-timber land.

Partnership pre-emptions abolished,
 but parties of not more than four may
 arrange for adjacent pre-emptions
 with joint residence but each making
 necessary improvements on respective
 claims.

Pre-emptors must occupy claims for
 five years and make improvements to
 value of \$10 per acre, including clear-
 ing and cultivation of at least 5 acres,
 before receiving Crown Grant.

Where pre-emptor in occupation not
 less than 3 years, and has made pro-
 portionate improvements, he may, be-
 cause of ill-health, or other cause, be
 granted intermediate certificate of im-
 provement and transfer his claim.

Records without permanent resi-
 dence may be issued, provided appli-
 cation is made, and records same each
 year. Failure to make improvements
 or record same will operate as for-
 feiture. Title cannot be obtained in
 less than 5 years, and improvements
 of \$10.00 per acre, including 5 acres
 cleared and cultivated, and residence
 of at least 2 years are required.

Pre-emptor holding Crown grant
 may record another pre-emption, if he
 requires land in conjunction with his
 farm, without actual occupation, pro-
 vided statutory improvements made
 and residence maintained on Crown
 grant.

Unsurveyed areas, not exceeding 20
 acres, may be leased as homesteads;
 title to be obtained after fulfilling resi-
 dence and improvement conditions.

For grazing and industrial purposes
 areas exceeding 640 acres may be
 leased by one person or company.
 Mill, factory or industrial sites on
 timber land, not exceeding 40 acres
 may be purchased; conditions include
 payment of stumpage.

Natural hay meadows inaccessi-
 ble by existing roads may be purchased
 conditional upon construction of a road
 to them. Rebate of one-half of cost of
 road, not exceeding half of purchase
 price, is made.

**PRE-EMPTORS' FREE GRANTS
ACT.**

The scope of this Act is enlarged to
 include all persons joining and serv-
 ing with His Majesty's Forces. The
 time within which the heirs or devisees
 of a deceased pre-emptor may apply
 for title under this Act is extended
 from one year from the death of
 such person as formerly, until one
 year after the conclusion of the present
 war. This privilege is also made re-
 troactive.

No fees relating to pre-emptions are
 due or payable by soldiers on pre-
 emptions recorded after June 26, 1918.
 Taxes are remitted for five years.
 Provision for return of moneys ac-
 crued, due and been paid since August
 4, 1914, on account of payments, fees
 or taxes on soldiers' pre-emptions.

Integrit on agreement to purchase
 town or city lots held by members of
 Allied Forces, or dependents, acquired
 direct or indirect, remitted from en-
 listment to March 31, 1920.

**SUB-PURCHASERS OF CROWN
LANDS.**

Provision made for issuance of
 Crown grants to sub-purchasers of
 Crown Lands, acquiring rights from
 purchasers who fail to complete
 purchase, involving forfeiture, or fail-
 ure of conditions of purchase, in-
 terest and taxes. Where sub-purchas-
 ers do not claim whole of original par-
 cel, purchase price due and taxes may
 be distributed proportionately over
 whole area. Applications must be
 made by May 1, 1920.

GRAZING.

Grazing Act, 1919, for systematic
 development of livestock industry pro-
 vides for grazing districts and range
 administration under Commissioner.
 Annual grazing permits issued based
 on numbers ranged, priority for estab-
 lished owners. Stock-owners may
 form Associations for range manage-
 ment. Free, or partially free, permits
 for settlers, campers or travellers, up
 to ten head.
