**WHEAT CROP OF  
PRAIRIE WEST  
IN FINE SHAPE**

Many Districts, However, Report  
Light Prospects of Coarse  
Grains Says Free Press.

Winnipeg, June 18.—Analysis of replies to nearly 100 messages of inquiry sent to points in the prairie provinces by the Free Press, indicates that rain has, within the last few days, fallen over very widely separated areas, and while more is needed almost everywhere, the wheat crop on the whole is in excellent condition and should move forward rapidly. Only one district reports wheat in shot blade.

The extreme heat of the later part of May has affected coarse grains adversely and in many districts the late seeded oats and barley will be a light crop even with the best of conditions from now on. Cutworm damage is fairly general, as is always the case in dry weather, but the damage is apparently not excessive anywhere.

The plague of grasshoppers has been fairly general along the southwest of Manitoba and Saskatchewan, but is now apparently pretty well in hand. Only one place in the centre north reported damage from grasshoppers.

Farm help is scarce at a number of points and wages are high, running from \$65 to \$70.

Few cases of real damage from drifting with consequent re-seeding, are reported. Judging by the reports the crop of 1918 is all out of farmers' hands.

**RETAIL CLERKS ASS'N.  
ELECT NEW OFFICERS**

On Monday evening the Retail Clerks Association met for the purpose of electing officers for the coming year. The members chosen for office were: President, J. Sam Weston, acting secretary-treasurer, was reappointed for the next term.

A committee was appointed to report as to whether the association will hold a picnic or a social in order to provide entertainment for the members. Its members are T. Ballinger, B. McEvoy and Miss L. Shrub-sall.

Trustees for the association were also elected for the next period, these being Fred Grimbale, C. Lauder and J. S. Carmichael. The association will be represented by Fred Frible, C. Westaway and B. McEvoy at the Trades and Labor Council when that institution becomes reorganized.

**SMILING BILL HART  
STARS AT WESTHOLME**

In Stirring Drama of the West,  
This Heroic Actor Plays a  
Great Part—Four Reels  
Of Comedy.

Big smiling Bill Hart is here again at the Westholme Theatre tonight and in "The Cold Deck" offers one of the best western tales ever brought to this city. William Hart has always been a prime favorite with the picture theatre goers and with good reason, too. In this play tonight, he is all that could be desired. The story is a stirring one. It is a drama of the West, with all the breezy unexpectedness of western life exemplified to the letter. While it lasts the hero has certainly an exciting time, and this is a play which Bill Hart's admirers would not miss for worlds.

The program offered at the Westholme tonight is a ten-reel one. There are two different single-reel Christie comedies, superb among their kind, and as well a two-reel Fox comedy of the same brand that are liked so well. A ten-reel program like this is certainly one that is worth taking in.

**WIRELESS RECEIVED AT  
UNDERGROUND STATIONS**

How underground wireless was put into practical use during the war has been disclosed by the United States Navy Department officials, giving to the public another of its secrets, carefully guarded so long as it might have been of value to the enemy. Government officials regard this development as one of the war's major scientific advances of the kind. In practical use the new system so far employed only for receiving. Radio messages sent out from powerful stations in Europe are now being read at underground receiving stations in the United States, and in some cases better than when caught by the elaborate and expensive air stations.
