STRIKE SAID TO BE CALLED OFF TOMORROW

Committee.**

It is understood that the strikers have agreed to accept "collective bargaining" as defined by the ironmasters, and which it is declared will be put into effect in the negotiations with the employers.

PLANS FOR HOUSES UNDER SOLDIERS' HOUSING SCHEME

A set of seven blueprints of the plans prepared in connection with the soldiers' housing scheme has been received by the mayor from the government offices in Victoria. These blueprints have been fixed on the notice board in the city hall for public inspection.

These plans are in connection with the housing scheme for soldiers under which a cash grant of up to \$2,500 will be made to any soldier desiring to take advantage of this scheme. A choice may be made of any one of the seven plans, although the prospective builder is not confined to or compelled to accept these plans, should he want to build from a different one.
