SCHWAB ADDRESSES NEW YORK UNIVERSITY GRADUATION CLASS

Emphasizes Loyalty to Associates
As First Essential to Success in Life.

In addressing the graduates at New York University the other day, Charles M. Schwab, of the United States Steel Corporation, attributed his success to the loyalty of his associates.

Mr. Schwab said that in years gone by a man of letters would have the honor of welcoming the students into their new careers, and that nothing was more conclusive than that "a simple manufacturer" was invited to make the graduation address.

"Great social changes have come in the world," said Mr. Schwab. "What would have been the use of the war unless it made a great step forward? I always like to preach broad democracy as the foundation of true education. Many a man has been educated in the shop and in the factory, and he is as much educated in the things of this life as you are here today in this university."

"It was the practice in years gone by for young men to regard themselves to be on a different social plane if they were educated in a university from other young men whose alma mater was the workshop. But there is no longer class or social distinction. Men are measured today by the things they accomplish in the world."

"I am not unappreciative of the value of education or the part it plays in commercial enterprise. You may ask me to what do I attribute my greatest good fortune. I attribute it to the spirit of loyalty and devotion to those with whom I am associated. Integrity and deportment are essential, but, above all, loyalty under all conditions and circumstances. Credit will come to you for being loyal and the result is bound to be success."

VAUDEVILLE TONIGHT AT EMPRESS THEATRE

There is to be a combination show at the Empress Theatre this evening, when the picture program will be relieved by vaudeville. Jas Toomy & Co. will appear in new songs and dances. The picture feature is a big six-part play entitled "A Soul for Sale," starring Dorothy Phillips, and involving a big problem. The program should prove to be a popular one, and it ought to keep the Empress filled all night.

BIRTHS

There was born to Mr. and Mrs. Morton McLachlan, of the Besner Apartments, on June 24, at the Prince Rupert General Hospital, a daughter.

A daughter was born on June 26 to Mr. and Mrs. H. K. Christensen at their home on Hays Cove Circle.

It was with considerable difficulty that the heavy tow which the "Lorne" was taking to Captain's Cove from Buckley Bay the other day was safely moored. The weather in the straits is rough.

Eastern Prices on Community Silver

We just received a copy of the Robert Simpson Co. catalogue and find that our prices on Community Silver are exactly the same as theirs. We mention this as proof that we are trying to give our customers as good service as they can get anywhere.

Other things we can prove it by are Big Ben clocks, Waltham and other watches, Waterman pens, Rogers silver and almost any well known article.

TO SALVAGE SUNKEN MERCHANT VESSELS

First of British "Mystery" Ships
Launched for Raising Ships
Sunk by Subs.

London, June 26.—The first of a new type of "mystery" ship for the British Admiralty has just been completed. This new type of vessel is intended for salvaging merchant vessels sunk by German submarines around the coasts of the United Kingdom. Six of this new style are to be built, each at a cost of nearly £1,000,000.

The position of the sunken merchantmen has been ascertained by divers in the Admiralty salvage department, who have reported that in many cases the ships can be raised and refitted for service.

The salvage ships present the appearance of a series of towers, composed of hollow blocks of concrete, curbed to withstand internal pressure. They have watertight doors, by which the blocks can be filled with water and pumps to replace the water with air.

Having no motivepower of their own, the ships are to be towed in pairs to where a sunken merchant ship has been located. On a calm day the hollow concrete blocks will be filled with water and the ships will be sunk on either side of the wreck. Divers will fasten them tightly to the sunken ship, after which the water will be pumped from the blocks and the ships, it is expected, will rise, bringing the wreck to the surface.

WILLIAM FARNUM AT WESTHOLME THEATRE

Popular Player Appearing in Big
Seven-Reel Production—Mack
Sennett Comedy a Big
Attraction.

William Farnum, one of the greatest favorites on the screen, is billed for the Westholme this evening in "The Heart of a Lion." This is a big seven-reel production from the Standard Studios and it is a play which is full of life and action right through. It is followed by a British Gazette, containing some of the latest scenes of interest in many places. The program is completed by a Mack Sennett comedy, which, as usual, is a scream of laughter from the first scene. This comedy is one of the best and it is tinged with enough of the ridiculous to make appeal hugely to everyone.
