The Letter Box WISER SEX

Claudette Colbert, Melvyn Douglas, William Boyd and Lilyan Tashman Stars of Picture

The dainty Claudette Colbert is the star of "The Wiser Sex," a welldressed and fast-moving story of today, which is the first of the week the Capitol Theatre here. It is the strong and dramatic romance of a petted darling of society who risks her reputation in the underworld to save that of her lover. The story is different and the entertainment off the beaten track.

Melvyn Douglas shares male honors in the picture with William Boyd, the former as a crusading attorney who gets himself on the "spot" for being enthusiastic about a city clean-up and rather neglectful of his romance with Miss Colbert. Boyd is assisted in a sophisticated role by Lilyan Tashman who is always popular.

The climax is quite suspenseful but a lagging romance is at last restored and the story ends quite hap-

Daily Want Ads.

The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opoprtunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.
