Lashed by the Whips of Circumstance

To be lashed into action by the Whips of Circumstance is not an evil.

One needs it periodically to overcome the flatulence of prosperity.

Let us be frank with each other.

Manufacturers, Merchants, Newspaper Proprietors, and Public, we have all had a succession of fat years. Now some of us are timorous at the thought of lean months.

Well, lean months and lean years would be in store if we sat still and wailed---but not if we show fight.

We are pleased to see fighting spirit awakening.

It is shown by the renewal of Daily Newspaper

The Daily Newspapers of Canada are resolved to do their part to make 1921 a Banner Year. They invite you to travel in their company.

BOOTLEGGER CHEWED UP MARKED \$5 BILL

RICHMOND, W. Va., Feb. 4.—A police plot to capture an alleged bootlegger failed recently when Mrs. Mollie Richardson chewed up and swallowed the evidence, a marked \$5 bill. The three officers on the job sent a "spotter" in with the bill to purchase a pint of liquor, but reported later that they had only succeeded in losing the money.

IF all the brains of all the men and women who knock this city were gathered into a heap it would take a powerful microscope to see it.

TELLING about your hard luck is about as satisfactory as sitting on a block of ice and swapping stories with yourself.

THE National Liberal and Conservative Government at Ottawa is said to be commencing a campaign of economy by reducing the amount of postage stamps. The campaign will be extended to other lines as soon as the session is over, if the Government is then in existence.

THE little robber goes to jail while the big robber gets a knighthood or other honors.

THE little liar is held in contempt, but the big liar is a wonderful person with imagination and deserves promotion.

Advertising Contracts for increased space this year.

But, greater evidence than that--New advertisers are planning to use daily newspapers to reach out for new business with old lines, and to introduce new lines into old established fields.

While such vision, and faith, and courage, is alive in men, there can be no fear for the future.

What of your fighting spirit? What are your ambitions?

Are you going to reach out and fight for business? Well, then, you have one mighty force to aid you---that is Daily Newspaper Advertising.

And Daily Newspaper Advertising welcomes the challenge.

HEART SO BAD

Was not safe to
Leave her alone

Miss Eva P. Yalman, Krugersdorf, Ont., writes:—"I feel that I must write and tell you of the great benefit I have received from Milburn's Heart and Nerve Pills. About four years ago I was taken terribly ill, with my heart, nerves and fainting spells, and was down in bed for about six months. I doctored with two different doctors and seemed to get better, although the fainting spells would not leave me. I would take such terrible falls, wherever I was, that it was not safe to leave me alone at any time. At last I decided to resort to proprietary medicines and took several different kinds, but seemed to receive but little benefit from them. One day noticing the advertisement of Milburn's Heart and Nerve Pills I decided to try them, and before I had taken more than two boxes I could see they were helping me. I have taken about ten boxes, and am almost relieved of those terrible spells. I sincerely feel that your medicine has proved a blessing to me, and I advise any one troubled with their heart to try them, as I am confident they will find relief."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
