HEADACHES Make Life Miserable

Headaches are one of the most aggravating troubles one can have, and it is hard to struggle along with a head that aches and pains all the time.

Headaches seem to be habitual with many people; some are seldom, if ever, free from them, suffering continually from the dull throbbings, the intense pains; sometimes in one part, sometimes in another, and then again over the whole head.

There is only one way to get relief from these persistent headaches, and that is by going direct to the seat of the trouble, for unless the cause is removed, the headaches will still continue to exist. The fact that Burdock Blood Bitters keep the stomach, liver and bowels toned up is proof enough to show that it will eliminate the cause of the headaches.

Mrs. Harold Laidan, Owen Sound, Ont., writes: "My system was run down and my blood out of order. I suffered a great deal from severe pains in my head, which made me feel very miserable. After having tried other remedies I purchased a bottle of Burdock Blood Bitters, and was very glad to notice a decided improvement in my health, so I took another and am glad to say that it has done me an enormous amount of good. I have recommended it to my friends, who were in a similar condition, and they all say it is a wonderful remedy."

B. B. B. is put up only by the T. Mulharn Co., Limited, Toronto, Ont. Adv.

After an absence of over a year, during which time he was chief engineer of the Vancouver steamer, "Margaret Coughlan," Alex. S. Munra, formerly chief engineer on the Prince Rupert, has returned to the service of the Grand Trunk Pacific Coast Steamship Co., and is now on the Prince George.

On Friday evening the visiting members of the Vancouver Board of Trade will be entertained at a grand ball at the St. Andrew's Hall. Music will be supplied by the orchestra accompanying the excursionists in the early part of the evening and later by the Westholme Theatre Orchestra. The visitors will leave for Anyox and Stewart at midnight.

MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as *the* smoke.

MACDONALD'S CUT "BRIER"—the same tobacco but in new form—maintains every Macdonald tradition since 1858, and gives to smokers—*more tobacco for the money.*

HEADACHES Make Life Miserable

Among the passengers leaving on the first trip of the Pachena, Captain Swanson, for Stewart early this morning were W. J. Crawford and George Clothier.

A letter was read from C. W. Peck, M. P., at last night's council meeting advising that the "Opium Act" had been amended by the Dominion Government to practically meet the recommendations of the Vancouver city council which were also endorsed by the Prince Rupert council. The new act will provide for stiff punishments for those engaged in the traffic and medical attention for addicts.

In reply to an enquiry from the city council, Col. C. W. Peck, M.P., in a letter to the council read last night, intimated that he had brought the matter of more grants for Soldiers' Housing to the attention of the pensions' and re-establishment committees of parliament and understood that they were favourably inclined. There had been however, no report brought to parliament yet by these committees on the matter.
