Dominions Not Prepared to Assist.

Writing to the London Times, Professor Borriedale Keith, of Edinburgh University, says the process of development of Imperial relations was inevitably accelerated in an unprecedented manner by the formation of the League of Nations. The Dominions were thus compelled at a much earlier date than had been anticipated to assume a status for which they were not fully prepared, a fact which Mr. Fielding has emphasized more than once in the Canadian House of Commons. This lack of preparation is evinced most conclusively by the unwillingness of any of the Dominions, even including Australia, to face the burden of a just share in the cost of naval defence. Years, it must be admitted, will elapse before the United Kingdom can expect any serious aid in this regard, save possibly from the Commonwealth. General Smuts, despite his wholehearted doctrine of autonomy, has admitted his misgivings as to the part which the Union can play as regards naval defence.

Broader Viewpoint International Relations.

Imperial relations, therefore, are now in a transitional state, which may be of considerable duration, and the immediate problem for the Imperial Conference meeting next month is to seek to devise some reasonably effective way of co-ordinating Imperial foreign policy. The Empire at least ought to be united on the issue of reparations, and Dominion statesmen must realize that an international status implies that foreign politics must now occupy their serious attention from a broader point of view than mere Dominion interests. But the process will be gradual, for it must be one of spontaneous evolution in the public feeling of the Dominions themselves.

Daughters of Empire And New Hall.

The Daughters of the Empire are still assiduously devoting their attention towards the establishment of a suitable edifice in the form of a public hall on their lots at the corner of McBride Street and Fifth Avenue. Nearly all their efforts for the past year have been in that end and they have now a sum in the vicinity of \$2,000 raised for the cause. Their present plan is to raise \$5,000 before any attempt is made to start the building. Then it is proposed to make definite plans with their finances on a substantial basis and with a neat sum in hand. The hall which the Daughters of the Empire propose building will fill a long felt need in the city and while it will be used mainly for dances and similar functions it will also be available for any deserving public cause. The existence of such a place in the city will benefit nearly everyone either directly or indirectly. Therefore the order is deserving of every assistance and patronage. A carnival is to be put on June 3 and 4 by the united chapters in the city. If you feel that the building proposed by the Daughters of the Empire will benefit you in any way it would be well to assist in getting it under way at an early date.

HIS LIFE RUINED BY DYSPEPSIA

Until He Tried "FRUIT-A-TIVES" The Wonderful Fruit Medicine

MR. FRANK HALL

Wyeval, Ontario.

"For some two years, I was a sufferer from Chronic Constipation and Dyspepsia.

I tried every remedy I heard of without any success, until the wife of a local merchant recommended 'Fruit-a-tives'.

I procured a box of 'Fruit-a-tives' and began the treatment, and my condition commenced to improve immediately.

The Dyspepsia ceased to be the burden of my life as it had been, and I was freed of Constipation.

I feel that I owe a great debt to 'Fruit-a-tives' for the benefit I derived from them."

DIVORCES ARE ON INCREASE

British Judge Says Many Undefended Cases Collusive

LONDON, May 27.—Divorces are increasing at a great rate here, and so, too, according to Judge Darling, are the "shyster methods," as they are sometimes termed in America, whereby some divorces are obtained. Judge Darling is one of the veterans of the bench who has recently had to tackle divorce cases in addition to his regular judicial work, in order to cope with the growing demand for the untying of nuptial knots.

"We know perfectly well that an enormous proportion of the undefended cases in the divorce court are merely collusive," said Judge Darling. "Men know as well as I do that those letters, 'My dear Billy, do return to your loving Kitty,' are composed in solicitors' offices. Everybody knows it, only it is presumed that the judge in the divorce court does not. Of course he does."

"Judges who had retired are dragged back instead of being able to enjoy their old age in comfort because there are not enough judges to deal with these cases. And what wonder when people can come into the divorce court and treat it in this fashion?"

He added that what people looked for most in the newspapers were the likenesses of every adulterer who could be snaphotted coming out of the courts.

ZARELLI UP IN POLICE COURT

Mrs. McCoy Charges Him With Obtaining Money Under False Pretences.

D. Zarelli, the well known hotel and mining man, long resident in the north, appeared in the police court this morning before Magistrate McMorris to answer to a charge preferred by Mrs. Maud McCoy of obtaining the sum of \$1,500 through false pretences and misrepresentation. The accused was put under arrest in Vancouver, where he was released on bail, and returned to this city on the last trip of the Prince Rupert. The case was adjourned until Monday next, personal sureties of \$3,000 being put up by Mr. Zarelli for his appearance on that date. L. W. Patmore is acting for the defendant.

ENSIGN JOHNSTONE IS WITH SALVATION ARMY IN CITY OF WINNIPEG

Captain Kerr, who attends to the financial end of affairs in connection with the work of the Salvation Army in the North, is spending a few days in the city and on Monday will leave for upriver. He expects to be in and around Prince Rupert for the next six months.

Captain Kerr says that Ensign Johnstone, who was in charge of the army here some years ago, is now in Winnipeg still carrying on the good work. His son George, who was but a lad when in Prince Rupert, is now quite grown up and has become an accomplished musician.

Ten Years Ago in Prince Rupert

May 27, 1911

Mrs. McLennan entertained at a small but delightful bridge on Tuesday evening. The guests were Dr. and Mrs. Tremayne, Miss Milligan, Miss Johnston, J. M. Clancy, H. P. Wilson, W. Simpson and W. H. Toby.

The Empress Theatre has just undergone a thorough overhauling and has been painted and decorated by the Dutch artist, Charles Skeld. The ventilation has been improved and altogether the house has been made most inviting and attractive.

The long distance race scheduled for July 1st between W. H. Sherman, A. Nicholson and S. Holmquist is occupying an important place of interest in the sporting affairs of Prince Rupert.

PRINCE RUPERT TIDES

Thursday, May 26

High, 3:51 a.m., 19.1 feet.

16:58 p.m., 17.9 feet.

Low, 10:24 a.m., 4.9 feet.

22:34 p.m., 9.2 feet.

Friday, May 27

High, 4:33 a.m., 18.0 feet.

17:45 p.m., 17.4 feet.

Low, 11:05 a.m., 5.8 feet.

23:26 p.m., 9.6 feet.

The time used in Pacific Standard, for the 120th Meridian west, is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.
