SHORT OF BREATH

Could Hardly Walk
Without Resting.

When you go to a physician to be examined for any heart trouble one of the first questions he asks is: "Are you short of breath?"

Now, when the heart becomes affected there comes a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, dizziness and a weak, sinking, all-gone feeling of oppression and anxiety.

On the first sign of the heart becoming weakened or the nerves becoming unbalanced, heart and nerve pills are just the remedy you require. They regulate and stimulate the heart, and strengthen and restore the whole nerve system.

Mr. Stephen Cruise, East Clifford, N.S., writes: "I suffered for five years with heart trouble. I could hardly walk from the house to the barn without resting as I used to get so short of breath. Doctors could not help me. My wife told me to get a box of Milburn's Heart and Nerve Pills and I felt better after taking them; three boxes made me quite well. I am now helping my son to work on the farm, and can truthfully say I feel like a different man."

The Man in the Moon SAYS:-

DR. DRUMMOND wrote a book about the greatest thing in the world. Now who will write a series of volumes on the slowest thing in the world.

NOT know what it is? I thought everybody knew it was a messenger boy.

NEVER feel sorry for a bachelor or a grass widower. They're both all right.

THERE are all sorts of troubles in the world and most of them are women.

AND women say all their troubles are males.

AND now let me ask this plain question. Why is our language called the mother tongue?

GIRLS used to be slow because of the impediment of wearing petticoats. All that is changed.

AN indignant chorister says these old men always seem to be talking about the way girls are made up. See how they turn up their noses at a girl that has stringy hair or a moustache.

One swallow makes even a gold May day seem like summer, says the old toper when he gets a big drink of hooch.

SUNSHINE is all right but it makes some of the windows look horribly dirty.

SOME baseball fan is likely to become enthusiastic this afternoon at the ship launching and exclaim frantically, "slide, you boob, slide!"
