PAINFUL DIARRHOEA Cramps in Stomach

Mr. Fred Funston, Craik, Sask., writes:—"A year ago last harvest I was taken with a sudden attack of diarrhoea which completely laid me out, and in a few hours I had to quit work. The cramps in my stomach were dreadful, the leads of perspiration would stand out on my face at times I was in such great distress. At last I got a chance to send to town for a couple of bottles of Dr. Fowler's Extract of Wild Strawberry. I used it according to the way I felt and soon obtained a great change for the better, for which I was very thankful. I don't know what the cause of my sickness was except the extremely hot weather and the active work of stocking the wheat. 1f

Several of my neighbors were taken the same as myself and had the doctor attend them, but they didn't get any great relief until I advised them to use "Dr. Fowler's," when they soon experienced a great change. 1f

Dr. Fowler's Extract of Wild Strawberry has been on the market for the past 76 years and many cheap imitations are being offered to the public. Be sure and get the genuine put up only by The T. M. B. Co., Limited, Toronto, Ont. Price 50c a bottle. 1f

OIL BUSINESS FOR PACIFIC SLOPE AND PRINCE RUPERT CITY

Indications Are Now Pointing to Activity Nearer This Coast. It is the belief of many authorities on oil matters, that the next big oil fields will be near the Pacific Ocean. A good deal of prospecting has been going on on the Pacific slope and some good indications have been found. At Katalla, Alaska, oil has been discovered and there have been finds reported from the vicinity of Wrangell. Coming nearer home, there is the Pouce Coupe, Burns Lake and Kitsumkalum activity. Before long something big may be found and then the excitement will be tense. The prospect for oil business in the vicinity of Prince Rupert with the transportation systems that it would involve appear to be no mean one. 1f
