FRIEND TOLD HIM

And It Brought Relief From Constipation

Those who are bothered with constipation should read Mr. Gelpke's unsolicited letter:

"I have suffered with constipation for years. A friend of mine told me to try ALL-BRAN. I have taken ALL-BRAN for the past six weeks as a breakfast food. It has regulated my bowels as clockwork. Now I would not be without a package at all times."-Mr. Leslie Gelpke (address upon request).

Common constipation-with its headaches, loss of appetite, sleeplessness - is due to lack of "bulk" to exercise the intestines, Vitamin B to help tone the intestinal tract. Both are present in Kellogg's ALL-BRAN, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that in lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. Being a natural corrective. ALL-BRAN is not habit-forming.

Try ALL-BRAN in place of pills and drugs-so often harmful. Just eat two tablespoonfuls daily serious cases with every meal. If your intestinal trouble is not relieved this way, see your doctor.

In the red-and-green package. At all grocers. Made by Kellogg in London, Ontario.

C.N.R. steamer Prince George, le at their summer nome at Lake- Capt. Neil McLean, arrived in port at 11:30 this morning from Van-Falls and sails at 3 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound.
