Sport Chat

The Elks' Flag Day was a great success from beginning to end yesterday. It seems almost an act of Providence that such a gloomy morning from a weather standpoint turned out after all to be such a glorious and auspicious afternoon. Certainly Mr. Weather Man did the kiddies a great favor by changing his mind so suddenly. This, initial annual Flag Day, was such a pleasant and enthusiastic affair that they will, doubtless, be looked forward to in all the years to come in this city.

Many football enthusiasts were looking for an announcement regarding the trophy for the Junior Football League series at the meeting of the Association on Tuesday night. It was not forthcoming, however, but that does not mean there is not going to be a prize or prizes after all. It seems that Ernest Woods, the president of the league, was the medium through which the offer was to be made and since he is not in the city but is camping at Tugwell Island, the announcement just naturally could not be made. Rumor has it that the donor is a very modest person who does not want his name mentioned. The Dry Dock, through their winning the Junior League championship on Tuesday night, will be the holders of the prize, whatever it may turn out to be.

The next big sport day for Prince Rupert will be the Labor Day Celebration on September 5 under the auspices of the Trades and Labor Council. The council has been granted the use of the Acropolis Hill Grounds for the occasion and a complete list of races and games will be put on. There should be, as well, some interesting baseball and football matches. The feature of the Trades and Labor Celebration, however, will be the water sports. The executive of the Fair Association has decided to hold no water sports this year and all usual events will likely take place on Labor Day thus making the day one of more than usual moment on the local sporting program.

VETS DEFEAT THE CALLIES AT FOOTBALL

Score of 3 to 1 in Rather Second Rate Game at Acropolis Last Night.

Before a fair crowd of spectators, the Great War Veterans and the Callies met in a Senior League football game last night at the Acropolis Grounds and the former were victors by a score of 3 to 1. The game lacked the usual dash, this being no doubt owing to the fact that the league championship is already settled.

The Callies made their first and only score within three minutes of the commencement of the game when Campbell sent in a fast one which it was impossible for Brice to stop. The Vets soon equalized, however, when Danny Main led into the net from a nicely placed corner kick. Both teams had numerous good chances but failed to add further to their scores although Mackintosh almost did the trick with a long drive just at the call of half time.

Second Half.

The second half found the Veterans showing to more advantage while the Callies did not seem to be trying much, to the disgust of some of the spectators. The Vets ultimately took the lead when Hardy slipped the ball past Clapperton after the goal keeper had only partially covered a long shot. Numerous good chances were missed at the other end mostly through the younger players being over anxious. Fred Young registered the third goal for the Vets. This ended the scoring and a quiet and listless game finished with the Vets winning on their merits.

For the winners Stewart was the better back while Ed. Ross was the life of the team at centre half with Danny Main giving him good assistance. Young was easily the best forward and always proves a strong point on his team. None of the Callies' defence were outstanding although Mackintosh made a very creditable showing on the first appearance in a senior game. Of the wings, the left was the best.

Lineup and Standing.

J. Trindall refereed the game and J. N. Kelly and A. Clapperton were on the side lines.

The teams lines up as follows:

G.W.V.A.—Brice; Davies and Stewart; Lumsden, Ross and Main; Hardy, Young Boote, Wiggins and Harding.

Callies — Clapperton; Abbott Kinghorn; Hay, Stewart and Currie; Marks, Gay, Mackintosh, Campbell and Butters.

The Standing to date follows:

	P.	W.	L.	D.	Pts.
Sons of Canada	6	3	0	3	9
Sons of England	6	1	2	3	5
Callies	5	1	2	2	4
G. W. V. A.	5	1	2	2	4

PRINCE RUPERT TIDES

Thursday, August 4.
High— 1:17 a.m., 22.7 feet.
14:03 p.m., 24.1 feet.
Low— 7:47 a.m., 0.5 feet.
20:03 p.m., 3.9 feet.
Friday, August 5.
High— 2:06 a.m., 22.7 feet.
14:47 p.m., 21.6 feet.
Low— 8.29 a.m., 0.6 feet.
20:50 p.m., 3.5 feet.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.
