Reduced Prices on Community Silver...

Community Silver has just been reduced about ten per cent., and though we have a large stock bought at the old prices, we want to be among the first to pass along any reduced prices we can. Our Community Plate can be bought right here in Prince Rupert at exactly the same price as in the largest city. You will also find our prices on other standard articles just the same as in larger places, and we are trying to give the people a service so it will pay to trade at home. Any special articles not in stock we will be glad to send for on approval.
