In the Letter Box

RESTORE LIBRARY.

Editor Daily News: The Canadian Committee for the restoration of the University of Louvain has asked me to bring to the knowledge of the public and the different organizations of the city, the pressing appeal of that "Alma Mater" in favor of the reconstruction of her library of famous and tragic memory.

Under the patronage of His Excellency, the Governor General, and His Highness, the Archbishop of Montreal, and Mr. Gloor, Belgian Consul General at Ottawa, the present committee, endeavor specially to collect all books, documents, reviews, statistics, manuscripts, etc., which could be of some interest to the above mentioned institution.

Any books treating of Canada, of her history, geography, natural resources, or her political, commercial, industrial, maritime and social development, the origin of her Cities, etc., etc., will be accepted with gratitude.

The re-builders of that great centre of science and vulgarization, which shall be the new library, wishes, in fact, to reserve to collection of literary works of each separate country in the world a special division, and have emitted the wish to see Canada well represented.

To that effect Mr. Editor I will be very thankful to you if you will publish this letter which is an appeal made to all official organizations of the district to contribute generously in what concerns their publication and eventually the duplicates of interesting documents of their private library and which they could spare.

The documents or books must be addressed direct to: Henri Laureys, Directeur de l'Ecole des Hautes Etudes Commerciales, Montreal. Thanking you for your kindness in this matter and hoping that this appeal will not be in vain, I beg to remain, THEO. COLLART, K.O.C., Consul for Belgium.

INDEPENDENTS AND COLONEL PECK

Editor Daily News: In answer to Mr. Collart's query re stand of Independent Association. The committee of Colonel Peck was selected from the floor of a general meeting of his supporters, after the Colonel had held a public meeting in the Westholme Theatre at which he appeared before the people and gave an account of his stewardship. At that meeting he invited all interested in his re-election to attend the organization meeting the following night. The Independent Association had already gone on record as unanimously endorsing Col. Peck's candidature, and have assured him of their unselfish support. Nine members of the Independent Association are members of Col. Peck's campaign committee, amongst them the campaign secretary.

The Independent Association firmly believes that Colonel Peck is independent and deprecates the propaganda that is being carried on in the Liberal partisan press in an effort to make it appear that Colonel Peck is a supporter of the Meighen Government, and is being run by the Conservatives. The Independent Association believe that Colonel Peck's direct statement that he is running strictly independent is sufficient assurance to all interested. Colonel Peck is a gentleman, an officer, and a well known and reputable citizen and is therefore entitled

to the courtesy of respect for any statements he makes. A. W. EDGE, President, Independent Association.

SATISFIED OR NOT?

Editor Daily News: Would you kindly give me space in your valuable paper for a few words in regard to the election that is taking place shortly. Being almost a stranger to Canadian politics, I have no desire to bring myself into the limelight at all, but I cannot understand what all this mud-slinging for as we should call it in England, "piffle" has to do with electing a representative to Ottawa. To use the words of the "Man in the Moon" it will not get you anywhere, unless it be into the law court. To my mind the only things that the intelligent people of Rupert should ask themselves are, as follows:

Firstly—Are we satisfied with the treatment given to Rupert and the district by the Meighen Government? If we are, then vote for Peck, who to all appearance is their candidate.

Secondly—If we are not satisfied and think that the party under Macenzie King will serve us better, then vote for Stork.

Patriotism not sympathy should be our guide in this contest. We must say by our vote to which party, Conservative or Liberal, we will trust the destiny of the country for the next few years or to bring the matter nearer home, on Dec. 6 to register our vote for a wobbling Independent or a straightforward Liberal. Which will you do? SAM WATSON.
