G. H. ARNOLD, Notary Public

FIRE INSURANCE is a hobby of ours. We take keen pleasure in making sure that all policies are so written that they cover your property exactly as you intend. If you entrust your fire insurance to careless, inexperienced or ignorant agents you may find, when you come to collect your fire loss, that your policies are so worded that the insurance company is not liable and so will not pay the loss. Why take chances?

TEN PER CENT. ARE DISEASED

Meeting at Victoria Deals With Social Hygiene—Public Opinion Hostile.

VICTORIA, Dec. 20.—At the annual meeting of the Vancouver Island Council for Social Hygiene which was held in the board room of the Chamber of Commerce, Arcade Building, Dr. H. E. Young, provincial health officer, stated that ten per cent of the people of Victoria are suffering from venereal diseases, and that this percentage is about the average for cities in the Dominion. In Toronto, he said, a careful test during a given period at the General Hospital, gave the percentage as twelve per cent of venereal diseases for the population. Twenty-five per cent of the patients in the provincial asylum today are there as the direct result of the same dread disease, but it is difficult to get the public to understand this.

Organized One Year.

The Vancouver Island Council for Social Hygiene has been organized just one year, and the secretary's report given to members who were present last night, is the first presented to the council. This report stated that the officers and executive had been called to set on foot a movement with no precedents to guide them, and with a problem which was not openly met before. Public opinion was hostile often, and misinformed, it stated, and prejudice and false modesty had had to be faced in the task set before them.

The work undertaken by the council during the past year had been mostly along educational lines, and several meetings for education and organization had been held in various parts of the island during the year. Much has been done by the council in the way of educating the awakening public to the prevalence of the disease and in pointing out methods of prevention along the lines of instruction for children in the home in sex matters, and in urging the necessity for healthy recreation.

The executive felt that their policy had been justified by the first year's experience. Between 4,000 and 5,000 pamphlets have been distributed.

It was felt by the members present that the council was working under a constitution which is too elaborate for its needs, and amendments which tended to simplify the organization were passed by last night's meeting.

Officers Elected.

The election of officers for the ensuing year was effected, and the new officers are as follows:

Hon. president, Hon. Dr. MacLean; president, Dr. Thomas Miller; vice-presidents, A. G. Pike, A. W. Evans; treasurer, H. T. Ravenhill; general secretary, Rev. H. T. Archbold, B.A.; executive committee: General R. P. Clarke, Mrs. Spofford, A. D. Crease, Dr. R. L. Miller, B. G. Nicholas and J. T. Elott; legislative committee: Mrs. Spofford, C. L. Harrison, A. D. Crease, Miss Ringland; finance committee, General R. P. Clarke, K. Ferguson, E. Landsberg and Mrs. Hardie.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of $300 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of $10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas not exceeding 20 acres, may be leased as homesites; title to be obtained after fulfilling residential and improvement conditions.

PRE-EMPTORS' FREE GRANTS ACT

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under the Act is extended from for one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.

THE PENALTY.

He entered the breakfast room with a letter in his hand, his face suffused with shame and confusion.

"My dear," he said hesitatingly.

"Well?" snapped his dear.

"I—I'm very sorry, but—"

"You usually are sorry about some thing, and with good cause. What's the matter now?"

"This letter to your mother. You gave it to me to post ten days ago, and—and I—"

"You've forgotten to post it. Well," calmly—"we must make the best of it I suppose. That letter was to ask mother to postpone her visit this year, but since you've forgotten to post it I expect she'll be here some time today."

Ten minutes later a frantic man might have been dimly discerned in the depths of the innermost coal cellar administering unto himself a sound kicking.—Pittsburg Chronicle Telegraph.

Without advertisements, this paper would not be as interesting to you, because information about goods for sale in the stores is news—just that.

CHANGE IN RULE OF ROAD.

The attention of the public is directed to the fact that the change in the rule of the road comes into effect on the 1st of January next. Under the new rule persons in charge of a vehicle, on meeting another vehicle, are required to turn to the right instead of the left, and in overtaking another vehicle, the vehicle so overtaken is required to turn to the right to permit the overtaking vehicle to pass. All subsisting licenses in respect to motor cars expire on the 31st instant, and applications for renewal must be made by the licensees on or before the 15th instant. Owners of motor cars are urged to make application at once for renewal of their licenses. Each applicant will be furnished with a sticker to be attached to the windshield of his motor car, giving warning that on and after 6 a.m. on Sunday the 1st day of January, 1922, he must keep to the right, and when overtaking any vehicle going in the same direction, to the left.
