CHOLERA INFANTUM The Fatal Disease of Children

Mothers should look well after their
young ones during the hot summer
months as this is the time of year when
this summer complaint is most pre-
valent. It begins with a profuse diar-
rhea, the stomach becoming irritated,
vomiting and purging set in, and the
nervous system is thrown into a
bilious appearance; the child rapidly
loses flesh and is soon reduced to great
anguish and prostration which in a great
many cases terminates fatally.

To quickly offset the vomiting, purging
and diarrhoea.

**DR. FOWLER'S
EXTRACT OF
WILD STRAWBERRY**
should be administered.
Mrs. Charles Kretlow, Widewick,
Sask., writes: "I have used Dr. Fowler's
Extract of Wild Strawberry for summer
complaint. I think it saved my little
girl's life one time as she was so bad I
thought she was going to die. A friend
advised me to get 'Dr. Fowler's,' so I
got a bottle and it helped her right
away."

Don't endanger your child's health by
accepting a substitute, but get the
genuine "Dr. Fowler's," price 50c, a
bottle, put up only by the T. Milburn
Co., Limited, Toronto, Ont.

A remarkable picture showing
the height of the coffer dam
used at Swanson Bay last win-
ter in the raising of the steamer
Prince Rupert appears in last
Sunday's Victoria Colonist. The
illustration is very interesting
and many requests for original
copies are being made of the
Pacific Salvaging Co. by ship-
ping firms on the coast. The
cofferdam was 70 feet high,
weighed 200 tons and 125,000
feet of lumber were used in
building it.

PRESS SPECULATION NOT HELPING CAUSE

So Says London Morning Post
In Discussing Pacific
Conference.

LONDON, July 28.—Discuss-
ing the absence of authentic
news from British sources on
the Pacific Conference at Wash-
ington, the Morning Post says
the press and politicians on both
sides of the Atlantic are indulg-
ing in speculations which are
anything but helpful to the
cause which the well wishers of
the conference have in hand.

ALBERTA TOWNS ARE MAKING ARRANGEMENTS WITH THEIR CREDITORS

EDMONTON, July 27.—Eight
towns in Alberta have definitely
arranged with bond holders and
banks about the adjustment of
their finances and arrears of
debentures and in the case of
one other town a similar ar-
rangement is pending. There is
little cause of apprehension as
to the general position of Al-
berta municipalities when out
of a total of 342 organized mun-
icipal corporations the aggregate
debenture arrears totals less
than \$175,000.

Out 'e Goes.
A London temperance orator
was in the habit of holding forth
in a workmen's hall, and was
constantly being interrupted.

The next time he lectured in
that hall he engaged a prize-
fighter to sit in the gallery and
keep order. He was contrasting
the clean content of home life
with the squalor of drunkenness.

"What do we want when we
return from our daily toil?" he
asked. "What do we desire to
ease our burdens, to gladden our
hearts, to bring smiles to our
lips and joy to our eyes?"

As the orator paused for
breath the prize-fighter shook
his fist at the unruly members
of the gallery and whispered in
a loud undertone:
"Mind yer, the first bloke what
says 'beer' but 'e goes.—Every-
body's."

D. Heaton, an employee at the
Wallace Shipyards, was rather
badly hurt by a fall while work-
ing on the ships shortly after-
noon and was rushed to the
General Hospital where he was
admitted in a precarious condi-
tion.

SPECULATION or INVESTING

Which do you follow? In mining, oil and new industrial
stocks the profits are big on paper, but you seldom get them,
and generally lose your capital, with nothing to show but a
nice certificate with a large seal. Your best investment is in
good Government and Municipal Bonds; the return may be
low, but it is sure. Your best buy today is Victory Bonds to
net 6%. We also have four \$100 5% bonds at \$373, par value
\$486. As British exchange advances you reap the benefit.
About the first we recommended C. P. R. at \$113; today it is
\$128.75. For information on bond market, call or write
