SUPPORT HOME INDUSTRY

OUR natural resources in lumbering, fishing and mining are U second to none and our future prosperity is unalterably attached to these assets. Every person, not only in Prince Rupert but also in the Skeena and Bulkley Valleys can do their bit by giving their mental and physical support. Pull for the lumber industry-boost for the establishment of a pulp plant in Prince Rupert. Take pride in the quality of our sea products and tell the world. Give the mining industry that support and optimism that leads to greater things. When arranging for next winter's fuel requirements remember that you have a local industry already established producing the highest grade article offered on this market.

AIR DRIED SHINGLES

Retain the cedar oil in the wood, affording extra and better preservation than kiln-dried shingles from which the essential oil has been evaporated. Our shingles are made on Queen Charlotte Islands and, as a home product, deserve your preference. Shingle makers wages on the Islands are spent eventually in Prince Rupert, while Vancouver wages never come north. Support a home industry and your own welfare by specifying Air Dried Shingles.
