VANDERHOOF

There is a good deal of building going on in and around Vanderhoof. Excellent progress is being made on the new four roomed school and the new Royal Bank by George Little is commencing. J. M. Johnston is erecting two large frame buildings for the Battenbury Lands Co. and the Land Settlement Board and Owen Burdette's confectionery store is finished. Duncan Campbell, J. Dezell, Gus Erickson and Tom Hunt are building houses.

The work of surveying the new road to Stuart Lake commenced this week under Arthur Dixon, district engineer. The road will go to Fort St. James and a large area of splendid agricultural land will be opened up.

George J. Watt, manager of the Canadian Bank of Commerce, left on Sunday to spend two months holidays on the coast. H. A. McIlwaine, of the Powell River branch, is here to relieve him.

Samuel Cocker will be laid up for some weeks as a result of an accident he sustained last week when he broke his ankle playing baseball.

HAZELTON

S. Bergman left on Wednesday for Toronto on a business trip.

Richard Morrison left on Wednesday to visit his old home in Scotland. He will be away several months.

Hugh Richmond, the Skeena Crossing merchant, has bought the Copper Tavern and will move his store and the post office into the building.

Scotty McRae and Dan Quinliven motored to Telkwa on Thursday, the first trip this season. The roads are in fairly good condition.

Rev. A. Hert and John Newick left on Thursday for Victoria to attend the Methodist conference.

PRESENTS FOR BIG TOMBOLA

Splendid Lot of Articles Given Away to Those Who Buy Tickets for Hayseed Dance.

A conservative estimate of the value of the prizes given in connection with the big hayseed dance and tombola tomorrow night gives it as \$500. This means that if there are only 500 tickets sold there will be given back to purchasers just as much as they pay in.

Each purchaser of a ticket gets an equal chance with every other. There will be no further fee to get a chance on the prizes. The drawing will take place at intervals between the dances throughout the evening.

This country dance, the directors say, will be one of the finest novelty events of the season. The full list of prizes follows:

Nearly Crazy With Eczema

No rest day or night for those who are attacked with that terrible skin disease, eczema, or as it is often called, salt rheum.

With its unbearable burning, itching and torturing relief is gladly welcomed.

There is no remedy like Burdock Blood Purifiers for giving relief to such sufferers; no remedy that has done, or can do more for those who are almost driven to distraction with the terrible torture.

Apply it externally and it takes out the stinging, itching and burning, and promotes a healthy healing.

Take it internally and it gets at the source of the disease in the blood,—for eczema is a blood disease—and drives it out of the system.

Miss E. M. Bonifier, 89 Victoria Road, Halifax, N.S., writes:—"I have suffered for years from eczema. I could not rest day or night. I suffered great agony, and was nearly crazy with the itching and burning. I used all kinds of salves, but nothing seemed to help me. I saw Burdock Blood Purifiers advertised, and was advised to try a bottle. I found great relief, and I really cannot recommend them highly enough for what it has done for me."

Burdock Blood Purifiers has been on the market for over forty years, and during that time has been manufactured only by The T. Millburn Co., Limited, Toronto, Ont.
