1 Pill a Laxative,
2 Pills a Cathartic,
3 Pills a Purgative,
This is the Way Millburn's Laxa-Liver Pills Work.

You will never use any of the old griping, nauseating sickening, purging pills, containing as they do calomel and other drastic mineral ingredients, once you use Millburn's Laxa-Liver, a pill that is purely vegetable.

owing to the great care used in procuring the highest grade of drugs from which they are manufactured, they are as near perfect as it is possible to get a laxative remedy.

They work gently and effectively, without a gripe or pain.

If you are troubled with constipation, indigestion; driven to distraction with sick headaches, if your tongue is coated, your breath bad, your complexion muddy, your eyes yellow, have floating specks before the eyes, jaundice, itching, bleeding or protruding piles, stir up your sluggish liver with a few doses of Millburn's Laxa-Liver Pills.

Mrs. Rex Macle, Telkwa, Ont., writes:— "I desire to express my thanks for the 'Laxa-Liver' I have had by using Millburn's Laxa-Liver Pills. I had been suffering for some time from constipation and had headaches. I tried all sorts of cures, which did me no good, until I was advised to try your pills. I got great relief after taking only a few doses."

"Pollyanna"

one of the great stories for which the amusement loving world has long awaited

From Eleanor H. Porter's Novel "Pollyanna"
Published by the Page Company
Screen Adaptation by Frances Marion
Photographed by Charles Rosher

"Pollyanna" is the High Priestess of Optimism. She is not merely the discoverer, but the 33rd degree exploiter of the silver lining. The fairies who made sunshine from the cucumbers were insignificant beings to "Pollyanna." She is full of action, sparkle and pathos, and will help you to turn your sorrows, big or small, into gladness.

LABOR WILL BE AT LEAGUE OF NATIONS

Albert Thomas, Director of International Labor Office, to S.L.

NEW YORK, April 6.—The International Labor Office will hereafter be represented at all meetings of the Council of the League of Nations, the League's news bureau announces. Albert Thomas, former French minister of munitions, and new director of the International Labor Office, will represent that body at sittings of the Council.

The news bureau said negotiations for establishment of closer relations between the two bodies had been under way for some time, and that before the labor organization had made any definite request the council informed M. Thomas that any proposal for labor representation on the Council would be welcomed.

M. Thomas will be the first representative of labor within the central authority of the League.
