ALICE ARM TO GET NEW WHARF

Dominion Government is Calling For Tenders for Badly Needed Facility.

ALICE ARM, June 22.—Plans and specifications were received last Monday, and are on view at the Postoffice. The wharf will be 100 feet in length and 50 feet wide. A derrick capable of lifting two tons will be placed on the wharf, and a warehouse 24 feet by 50 feet will also be built. Rock will be blasted out to make footings for piles. The two other rows of piles to have their footings below water level.

The wharf will be supported by cross-ties, spaced to feet centre to centre in two directions. The superstructure will consist of caps, stringers, joist, planking, and guard rails, together with fender piles, bracing and the cables anchored to the solid rock by means of anchor bolts.

The announcement that the new wharf is to be built here is received with a good deal of satisfaction by the local residents. They have pressed for it a long time and it is needed badly now especially when the Dolly Varden wharf is in use by the company. In the past the latter wharf has been used for the general freight and steamer business of the port and with the mine in operation becomes almost too congested for the business. The provincial government road which is now, nearing completion, will join the new wharf to the town, about three quarters of a mile up the Arm.

SMITHERS STORAGE PLANT DESTROYED BY FIRE ON SUNDAY

Wm. Doodson and J. C. K. Sealey Lose Property in Afternoon Blaze.

SMITHERS, June 22.—The Sealey & Doodson cold storage plant, valued at \$45,000, was destroyed by fire which broke out on Sunday afternoon. The fire was confined to the one building and there was no damage to adjoining property. William Doodson and J. C. K. Sealey were the owners. The plant was operated for the storage of Bulkley Valley beef in connection with their meat market. It had been established but a year.

CANADIAN BANK HAS BRANCH MEXICO

WASHINGTON, June 21.—(By Canadian Press).—A report received from the U. S. consul at Puerto Plata, states that the Bank of Nova Scotia has opened a branch at Santiago. The Canadian bank already has a branch in Santo Domingo City and took the opportunity afforded by the closing of the local branches of the American Foreign Banking Corporation to extend its activities to the north of the Republic.

Dr. Chase's Kidney-Liver Pills

The Man in the Moon SAYS:

TOURISTS on the Princess Alice were much disappointed on Monday when they landed here and found the government liquor store was not yet open for business.

BUT promptly their cheerful ness was renewed when a kind citizen pointed out the nearest "bootlegging parlor."

THE reason one should patronize the government store rather than the blind pig is that the government gets the profit even if the price is a little higher.

FUNNY thing: nobody in Prince Rupert is kicking about the size of the court house.

CERTAIN persons were surprised that no one had burst forth to say Prince Rupert was getting "pap fed."

SHARKS are supposed to live in the ocean but some of them have their residence in Prince Rupert.

PERHAPS the man the city police picked up yesterday was one of those transcontinental hikers.

T. ROY BARNES STARS IN "SEE MY LAWYER"

New Robertson Release at Westholme Tonight is a Winner.

Critics who have seen "See My Lawyer," the new Robertson-Gole super-special release, starring T. Roy Barnes, have expressed themselves as being convinced that the famous comedian never appeared to better advantage. The picture was adapted to the screen by W. Scott Darling from the original play by Max Marcin. As a play, "See My Lawyer" was presented in New York with T. Roy Barnes in the leading role, and scored a hit.

Briefly, the story tells of two young men who are hoaxed by an inventor who declares he has a formula for making artificial rubber. After the two have advertised extensively the stock of the newly formed artificial rubber company, they discover the fake. It is decided that the most active of the two sham insanity in order to evade a jail sentence. T. Roy Barnes is the fellow who "goes insane." You will have to see the funny situations that arise to appreciate them.

"See My Lawyer" opens at the Westholme tonight and will be repeated tomorrow.

STIRRING STORY OF WEST AT EMPRESS

William Russell, Fox Star, Takes Role of R.C.N.W.P. Officer.

"The Challenge of the Law," the feature picture to be shown at the Empress Theatre tonight and tomorrow is a stirring tale of the west in which there is a beautiful love story interwoven. William Russell, as Captain Bruce Cavanaugh, the Royal North West Mounted Police officer, falls in love with the daughter of a smuggler whom he is endeavoring to find. Duty and love bring about some difficult situations and the picture depicts hardship and privation on the desert plains. Finally all comes out right, however, and the picture has an exceedingly happy ending.
