CATAIN JOHNSON TAKES PARTNER IN SHIPPING BUSINESS

Vancouver, June 4.—One of the best-known shipping men of Vancouver, Walter Walton, who has been identified with the firm of C. Gardiner Johnson Company for twenty-five years, has severed his connection with that organization and gone into the shipping business with Captain B. L. Johnson, Walton & Co.

Mr. Walton is very popular in shipping circles and has a very wide acquaintance along the coast. His business ability and never changing courtesy has given him an enviable reputation among shipping men. He is very well-informed in shipping conditions and on marine insurance, and the new company is expected to develop a very flourishing business. Mr. Walton's partner is Captain "Barney" Johnson, R.N.R., D.S.O., a lieutenant-commander in the navy during the war in charge of a submarine. He is also well known, having been for years commander of one of the crack coast passenger steamers and then Vancouver pilot.

CONFLICT OF WITS FEATURED IN "THE WONDERFUL CHANCE"

The eternal conflict of wits between the keen upholders of the law and the crafty denizens of the underworld has seldom been as thoroughly depicted as in Eugene O'Brien's latest Selznick picture, "The Wonderful Chance," which is showing at the Empress Theatre tonight.

In this production every type of crook is shown from the low-browed thug up to the polished confidence man. Mr. O'Brien impersonates one of those aristocrats of crime, the brainy burglar who takes advantage of and utilizes every modern idea of mechanics and science in furthering his plan of annexing other people's property.

Director George Archambault is to be congratulated on securing as "types" the most typical gang of thugs that have ever graced or disgraced the screen. These are contrasted later with the refined people with whom Barlow associates when he is masquerading in society as Lord Birmingham.

Of course there is a love theme, and a very pretty and sensible one, with pretty Martha Mansfield as the girl in the case.

TERRACE

At the regular meeting of the Board of Trade on Thursday last it was decided to establish a medical fund to be used to guarantee a resident doctor a stated sum annually to make it possible for a medical man to locate in the district. A hospital fund is also being started.

A quiet wedding took place recently at the Methodist mission house, Terrace, when Walter Warner, government telegraph operator at Rosswood, was united in marriage to Miss Christiana Allard, of Kitsukukum Lake, Rev. J. H. Young officiating. Miss Rose Haven acted as bridesmaid, while the groom was supported by H. B. Birch.

The Terrace branch of the Northern Interior Co-operative Association had a special meeting on Saturday in the schoolroom when business was discussed and arrangements made for the handling of the fruit crop this season.

STEWART

Lawrence & Workman last week put several men to work at their logging camp at Marmot River.

H. C. Bennett has been appointed enumerator for this district at the coming census to be taken on June 1.

H. Seovill took a crew of men to Bitter Creek early last week for the purpose of putting a pack bridge over the bear river at the mouth of the creek.

Ernie Armstrong went to the hospital last week with an attack of la grippe.

VANDERHOOF

On Thursday evening one of the most interesting weddings that has ever taken place in the Nechako Valley was celebrated at the home of Mr. and Mrs. Berhaven, Columbia Guernsey Stock Farm, near Vanderhoof, when Miss Clara Gelinde Holer became the bride of Raakon Stangorbye, one of the early settlers of this district. The ceremony was performed by the Rev. David Gray.

J. Dezell has moved with his family into his new home on Railway Avenue.

Arrangements are underway for the purchase of the Nechako Theatre by the Community Hall committee from E. B. Smith, its present owner. The theatre, which measures 30 feet by 70 feet, complies with all the government requirements for moving picture houses. This will fill a long felt want for a public hall of some sort for the citizens of Vanderhoof.

SMITHERS

An important land deal in the Round Lake district was recently put through by the real estate firm of Thorp & Hoops, of Telkwa, whereby two Nevada men became permanent residents of the district. The property involved in the sale was lot 1220 and the vendor was John Kennedy. The purchasers were E. Perkins and Dudley E. Hobart, of Inlay, Nevada.

A. S. Day and J. H. Bolton, of the Encombe Trading Co., who operate a mill in addition to their mercantile business, are now in town preparing to ship their plant to Encombe. They have just completed a most successful cut of 100,000 feet of lumber for Mr. Oulton, who proposes to erect a new house and barn in the near future.

Mrs. Steve Yelich and her two sons, Ivan and Anton, reached Smithers on Tuesday from Yezzerana, Oratia, Jugoslavina, to join their husband and father, who has been eight years developing his farm in the Bulkley country. They were unable to reach here sooner on account of international conditions in Europe.

The only case in the police court this morning was that of N. H. Mork charged on remand with misappropriation of money. It was further adjourned until tomorrow.

A. L. Garruthers of the provincial government works department returned to the city today on the Prince Rupert from a visit to the Southern coast cities.
