SONS ENGLAND AND CALLIES PLAY TO TIE

Third League Fixture in Senior League Produced Good Brand of Ball

The Senior football league fixture last night between the Callies and the Sons of England proved another tie, the final score being 2 to 2. The players on both sides were in good form and the game was the best so far this season. The gate receipts were also the highest yet recorded this year. Altogether the game was a successful and well played affair. Although three football league games have already been played, no team has yet gained an advantage, all the results, so far, having been ties. The Callies and Sons of England have played two games each and the Great War Veterans and the Sons of Canada one.

In last night's game the first score was made by Kelsey for the Sons of England. Before the half was over Wiggins had equalized for the Callies and W. Murray had missed a penalty kick.

In the second half, about half way through, Boole scored for the Callies and about five minutes before time Ticker made the second for the Sons of England.

W. McCulloch was the referee, E. Tabrum and A. Clapperton were the linesmen, and the following were the lineups:

Sons of England: Judge; Darton and Wearmouth; Hay, H. B. Fanthorpe and E. Craggs; H. Fanthorpe, Lambie, Tinker, Kelsey and Farquhar.

Callies: Martin; Kinghorn and Willisroff; Abbott, Murray and Currie; J. M. Campbell, J. Campbell, Boole, Wiggins and Sellars.

Why The RED CROSS Must Still Carry On

OUT of the object lesson of experience—gained through four long, weary years of war—came the realization that the Red Cross, great as was its work during those years of horror, is today a vital need to the remnants of that terrible conflict of nations.

POST WAR WORK

The Red Cross has not forgotten the crippled, blind and helpless men, over 800 in number, that are still being cared for in the hospitals and sanitariums of British Columbia. Men, who, although they are receiving all the care and attention that is possible from over-worked nurses and attendants, are lacking many little things of comfort. Little luxuries that you, who are strong of mind and body, might easily give to them. It is the aim of the Red Cross, with the aid of your dollar, to supply such things to these men.

The Red Cross is also providing workshops for disabled overseas men—also already being established in the former headquarters of the G. W. V. A. in Victoria. It is equipped with specially designed machinery adapted to the use of these men, some of whom were apparently hopelessly crippled. It is enabling them to learn a new vocation, thus

preparing them to re-enter the struggle for existence on a new basis—helping them to become self-supporting.

EMERGENCY SERVICE AND OUTFITS
To vigorously and adequately cope with the sudden call—from wherever it may come—the Red Cross is providing emergency service and outfits in various sections of the Province. In case of sudden disaster, by fire, flood, or wreck on land or sea, the Red Cross never hesitates to proceed at once to the scene with doctors, nurses, workers, and supplies of all kinds, to relieve the suffering of the unfortunate ones. You may think that disaster may never overtake your community—but who can tell—it might come tomorrow, and the Red Cross will be there.

More and more are people appreciating the fact that a diamond is one of the very few things that escape the ravages of time.

Custom is wise, therefore, in deeming the diamond as the betrothal symbol. Fifty years hence it will be just as beautiful as on the day it was purchased.
