

KANTLEEK

It Can't Leak, Because It's Made in One Piece

A KANTLEEK is built like a bottle—all in one piece. Most hot-water bottles are made in sections, then cemented together. When cement dries and cracks, the bottle leaks. Every Kantleek Hot-Water Bag is moulded of pure soft rubber—one continuous piece. No parts, patches, cement. Even stopper socket is moulded in. And guaranteed for a full two years' service—or a new Kantleek free. Don't wait until your old bag leaks. Get a Kantleek. Your old one may leak open tonight.

LIEUT. HELMSING RESIGNS FROM HIS NAVY LEAGUE POST

Was Energetic Organizer and has
Much Credit for Stride Forward
in League on This Coast

VICTORIA, Jan. 4.—Lieutenant
H. F. Helmsing has resigned as
secretary of the British Columbia
branch of the Navy League after
having held that office for over
two years.

Lieut. Helmsing, who visited
Prince Rupert last summer, was
undoubtedly responsible for the
revived interest in the work of the
Navy League on this coast. Owing
to his energy and work there have
been many new branches estab-
lished and the membership has
been greatly increased.

Synopsis of Land Act Amendments

Minimum price of first-class land
reduced to \$5 an acre; second-class to
\$3.50 an acre.

Pre-emption now confined to sur-
veyed lands only.

Records will be granted covering only
land suitable for agricultural purposes
and which is non-timber land.

Partnership pre-emption abolished,
but parties of not more than four may
arrange for adjacent pre-emptions
with joint residence, but each making
necessary improvements on respective
claims.

Pre-emptors must occupy claims for
five years and make improvements to
value of \$10 per acre, including clear-
ing and cultivation of at least 5 acres,
before receiving Crown Grant.

Where pre-emptor in occupation not
less than 3 years, and has made pro-
portionate improvements, he may, be-
cause of ill-health, or other cause, be
granted certificate of improvement and
transfer his claim.

Records without permanent resi-
dence may be issued, provided appli-
cant makes improvements to extent of
\$300 per annum and records same each
year. Failure to make improvements
or record same will operate as for-
feiture. Title cannot be obtained in
less than 5 years, and improvements
of \$100 per acre, including 5 acres
cleared and cultivated, and residence
of at least 2 years are required.

Pre-emptor holding Crown Grant may
record another pre-emption, if he
requires land in conjunction with his
farm, without actual pre-emption, and
provided statutory improvements made
and residence maintained on Crown
granted land.

Unsurveyed areas not exceeding 20
acres, may be leased as homesteads;
title to be obtained after fulfilling resi-
dential and improvement conditions.

For grazing and industrial purposes
areas exceeding 640 acres may be
leased by one person or company on
payment of stumpage.

Natural hay meadows inaccessible
by existing roads may be purchased
conditional upon construction of a road
to them. Release of one-half of road of
road, not exceeding half of purchase
price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to
include all persons claiming and serv-
ing with His Majesty's forces. The
time within which the heirs or devisees
of a deceased pre-emptor may apply
for title under this Act is extended
for one year from the death of
such person, as formerly, until one
year after the conclusion of the present
war. This privilege is also made re-
troactive.

No fees relating to pre-emptions are
due or payable by soldiers on pre-
emptions recorded after June 26, 1918.
Fees are required for five years.

Provision for return of moneys ac-
crued, due and been paid since August
4, 1914, on account of payments of fees
or taxes on soldiers' pre-emptions.

Interest on agreements to purchase
town or city lots, by members of
Allied Forces, or dependents, acquired
direct or indirect, remitted from en-
listment to March 31, 1920.

SUB-PURCHASERS OF CROWN LANDS.

Provision made for issuance of
Crown grants to sub-purchasers of
Crown lands, acquiring rights from
purchasers who failed to complete
purchase, involving forfeiture, on fulfil-
ment of conditions of purchase, in-
terest and taxes. Where sub-purchas-
ers do not claim whole of original par-
cel, purchase price due and taxes may
be distributed proportionately over
whole area. Applications must be
made by May 1, 1920.

GRAZING.

Grazing Act, 1912, for systematic
development of livestock industry pro-
vides for grazing districts and range
administration under Commissioner.

on numbers raised; priority for estab-
lished owners. Stock-owners may

ment. Free, or partially free, permits

CITY MARKET

PRINCE GEORGE

Alderman Henry Wilson, ar-
chitect and contractor, and W. P.
Ogilvie, barrister, are at this date
the only candidates for the
mayorally chair in the coming
municipal election. Both con-
testants are well-known in the
city and each has a considerable
following.

Robert Tyhurst, general man-
ager of the Fraser Timber Syndi-
cate, who returned from the coast
this week, when interviewed spoke
most optimistically of the future
prospects of the Big Pulp Com-
pany. He holds out every hope
of the outcome of the negotiations
with the government being suc-
cessful.

The musical recital recently
held in the Alexandra Hotel by the
pupils of Charles Balagano was
succeeded by all to be a distinct
success, reflecting great credit on
Mr. Balagano both as to his
ability as a teacher and to his
known talent as a performer.

The patients at the City Hos-
pital were pleasantly entertained
on Christmas Day by the kindness
of Messrs. Pitman and McLane,
who visited the hospital with a
large Magnavox gramophone,
giving a most delightful selection
of beautiful Christmas carols.

The Rex Theatre on Friday
afternoon was the objective of
countless Presbyterian children,
who assembled on account of a
well-founded rumor that Santa
Claus intended to arrive there,
entering by the stove pipe route.
They were not disappointed, as
the old gentleman was there on
the dot and handed out presents
with a lavish hand.

HAZELTON

Inspector Acland of the Cana-
dian Mounted Police, was here the
first of the week to arrange for
new quarters for the men.

Mr. and Mrs. J. D. Galloway are
moving into the house just vacat-
ed by Mr. and Mrs. A. D. Chap-
pelle.

Owing to the mild weather, the
boys have been unable to get ice to
stay on the skating rink.

Rev. Mr. Hodson, the new rector
of St. Peter's Church, arrived on
Thursday morning with Mrs. Hod-
son and family of five. They will
be warmly welcomed in the city.

On Thursday evening Dr. and
Mrs. Wrench entertained many of
the young people in honor of Miss
Balthena, Leonard and Cooper,
who are home for the holidays.

Mr. and Mrs. McIntyre came
down from Smithers to spend the
holidays with Mr. and Mrs. Mc-
Dougall.

J. C. K. Sealy arrived from the
farm on Thursday morning. He
was accompanied by Robert Gerow
of Burns Lake. It is a long time
since Bob was here. He reports
things as very good in the lakes
district, but not quite up to last
year.
