Sport Chat

It now appears that Prince Rupert fans and athletes will have to look to their own home town for their entertainment on Victoria Day, next Tuesday. The Terrace excursion having petered out it is not likely that many will go up the line. Of course, if the weather is fine, there will probably be quite a few persons going over to Port Simpson where a field day is to be staged. At home there will be the formal openings in the City Baseball League and the Senior Football League and any sports that may be arranged in the meantime. In the evening there will be the Wallace Shipyard's football club dance.

The three teams in the City Baseball League seem to be pretty well matched, judging from the games that have already been played and when the series commences on Tuesday a good deal of enthusiasm will likely be started in the respective camps. So far the Red Sox have won two out of the four friendly games they have played with the Sons of Canada and the one game already played between the Sons of Canada and the Elks proved a narrow victory for the former. Next Sunday afternoon the Red Sox will play the Elks in a friendly match and the league opener on Tuesday will be between the Elks and Sons of Canada.

The volunteers who cross to the Salt Lakes to assist in the finishing touches to the popular swimming place will be given free lunches, the interested ladies thus generously doing their bit towards getting the lakes in shape for the summer. On Sunday it is planned to put in the gangplank leading from the new landing to the walk and there will also be some more sand dumped in the near end of the lake which is to be used this year for the youngsters. The government walk from the landing to the lake is now about finished and can be followed around instead of cutting through the bush as before.

BRITTON WON IN TEN-ROUND BOUT

Uses of a Dictionary

"I want to be preoccupied at the near corner," said the negro passenger to the train car conductor.

"You want to be what?" demanded the conductor.

"Don't lose your temper. I had to look in the dictionary myself before I found out that 'preoccupied' means 'put off.'"—Japan Advertiser.

PRESENTATION TO MISS WAY BY PARENTS OF HER MUSIC PUPILS

On Tuesday afternoon Mrs. A. T. Parkin, Borden St., entertained in honor of Miss Way and among those present were the parents of the pupils to whom Miss Way has taught music.

The event of the occasion was a presentation to Miss Way by the parents of a silver casket for jewels, which was given her as an appreciation of her services to the pupils and to the community in general.

It is pointed out that Miss Way without ostentation carries on her work and instills a love for music in the young people with great success. The presentation was a way of expressing in a slight degree the appreciation felt by the parents.
