Reduced Prices on Community Silver . . .

Community Silver has just been reduced about ten per cent., and though we have a large stock bought at the old prices, we want to be among the first to pass along any reduced prices we can. Our Community Plate can be bought right here in Prince Rupert at exactly the same price as in the largest city. You will also find our prices on other standard articles just the same as in larger places, and we are trying to give the people a service so it will pay to trade at home. Any special articles not in stock we will be glad to send for on approval.

Don't Neglect THAT COUGH!

Persistent coughs lead to chronic bronchitis, asthma and permanent chest weakness. Swallowing druggy mixtures into *the stomach* is useless in bronchial trouble. It needs Peps the breatheable remedy which goes *direct* to the root of your cough.

As Peps tablets dissolve in the mouth, they give off powerful medicinal fumes which soothe and heal the inflamed breathing tubes, and destroy all disease germs. Peps speedily end chest soreness, clear the bronchials of phlegm and mucus, stop the wheeziness and coughing, and make breathing easy.

Remember, it is far better to *prevent* pleurisy, pneumonia and other lung diseases arising from neglected coughs and colds, than to *cure* them. Therefore take Peps at the first sign of a cough, cold or chill.

50c. box all druggists and stores, or post-paid from The Peps Co., Dupont St., Toronto.

SAMPLE OF PEPS FREE!
If you cut out this paragraph, and send it with [illegible] stamp [illegible] Peps Co., Toronto, will gladly send you a free sample. For sore throat, laryngitis, coughs, colds, chills, bronchitis, asthma and other throat and chest troubles, Peps are recommended by Dr. Gordon Stables and other medical men.
