

TAYLOR STREET IS DISCUSSED AGAIN

Council Would Favor Work Being Done at \$20 a Lot—Give Residents a Chance.

An inquiry from Ald. Frizzell as to the matter of grading Taylor Street precipitated another discussion on this vexed question in the council meeting last night. Mayor Rochester said the city engineer had been asked to turn in an estimate on a four-foot walk. Some residents had come to him, however, and had said that they wanted rough grading or nothing at all. The difficulty was that some of the residents were ready to pay cash for the work, but some of the outside owners would not stand for it being done. Ald. Perry felt that there was no danger of the lots reverting to the city if the work of putting in an eight-foot walk was done on the local improvement plan.

Ald. Parker was opposed to the putting in of a plank roadway, although he thought the residents there were entitled to a road. He thought that some of the residents who said the work of doing the grading could be done for \$20 a lot be given a chance to contract on it.

Ald. McNeill was of the opinion that neither planing or grading could be done for \$20 a lot.

The matter was left over, the mayor reflecting the evident opinion of the council when he said that he would be willing to allow residents to undertake the work if they would contract for it at \$20 a lot.

Sport Chat

Basketball, billiard and whist teams are now well organized to take their part in the schedule of recreation for the winter season and are already going strong. The different matches are watched with interest by many people but the trouble is that being spectators is as far as many of them get in taking part in the fun concerned. At this time of the year the necessity for a gymnasium, in which many people not privileged to actually take part in these winter recreations may get exercise, is felt keenly. It is to be hoped that another winter does not pass in this city without a modern and well equipped gymnasium having been established. It is a live question and one that should be taken up without delay.

The playing of indoor baseball in Prince Rupert is another line of sport that might well be started here. It has been mooted for a long time but that seems to be about as far as it ever gets. The many outdoor baseball players ought to make good material for indoor baseball and, especially in view of the breaking up of the Senior basketball league, it would seem that there should be little difficulty in organizing an indoor baseball league. There are a lot of athletes here who from present indications, will have little to do if something like this is not started. It is not too late to begin now to have this good sport, which was played so successfully here in the early days, resumed.

Stanislaus Zhyzsko, the giant Pole, champion wrestler of the world, forty years of age, is out with a challenge to meet all comers. "Biscuits" is anxious to retire, but, before doing so, he wants to give every wrestler a chance to win the title. He recently returned from a visit to his old home in Poland and on November 7 he defeated Earl Craddock, former champion in a finish match at Des Moines, Iowa. At Madison Square Garden, New York, on November 28, next Monday, he will defend his title against Ed "Strangler" Lewis, Tex Rickard, the promoter, will present the winner with a diamond studded belt. It will be remembered that Zhyzsko won the title from "Strangler" when he succeeded in breaking his deadly headlock.

BILLIARD LEAGUE

In Four Games Played Last Night Elks Have Big Lead Over Great War Veterans.

Four games of the Elks vs. Great War Veterans Association billiard tournament were played last night and the former team is in the lead by a score of 739 to 548. The following were the scores of last night's games: J. H. Pillsbury (Elks), 200; Dr. J. A. West, (G.W.V.A.), 86; E. A. Donohoe, 200; J. Fleming, 119; G. Melmoyle, 200; S. L. Warrior, 143; E. Green, 139; J. McIntyre, 200. The matches of E. A. Wakefield vs. J. May and Bert McEvoy vs. J. Goodrich are postponed until this evening.

WIRELESS REPORT

November 22, 3 a.m.
BULL HARBOR—Cloudy, light southeast wind; bar, 29.14; temp, 35; sea moderate. 11:30 p.m., spoke Alameda off Idol Point, southbound.
DEAD TREE POINT—Cloudy, light northeast wind; bar, 29.54; temp, 25; sea smooth.
DIGBY ISLAND—Overcast; calm; bar, 29.14; temp, 27; sea smooth.
Noon
BULL HARBOR—Snowing; light southeast wind; bar, 29.37; temp, 37; light swell; noon spoke Steamer Prince Rupert in Queen Charlotte Sound northbound.
DEAD TREE POINT—Cloudy; light southeast wind; bar, 29.54; temp, 29; sea smooth.
DIGBY ISLAND—Overcast; northerly wind; bar, 29.22; temp, 30; sea moderate.

Without advertisements, this paper would not be as interesting to you, because information about goods for sale in the stores is news—just that.

WHIST DRIVE AND DANCE LAST NIGHT

Fourteen Tables of Cards and 75 Persons at Dance Following.

The St. Andrew's Society held a whist drive and dance last night in the club quarters. There were 14 tables of cards and 75 persons attended the dance. The affair was enjoyable, as are all events put on by this organization.

The prize winners at whist were Mrs. A. Clapperton and L. E. Fuller, consolation awards going to Miss Perry and Joe Howe.

Following the card playing, a dance was held in the hall. The orchestra comprised Mrs. J. Gawthorne, R. Arthur, Jr., and Howard White. W. M. Brown was master of ceremonies and A. Clapperton was on the door.

Delightful refreshments were served in the course of the evening.

The committee in charge comprised W. M. Brown, A. Clapperton, J. A. Allen and J. N. Kelly.

J. Dunn, Lockpore, E. E. Russ, Skidgate and Mr. and Mrs. W. H. Perry, of Thurston Harbor, were among the arrivals from the southern Queen Charlotte Islands on the Prince Albert last night.

LAND ACT.
PRINCE RUPERT LAND DISTRICT—DISTRICT OF COAST, RANGE 5.
Take notice that I, Mrs. Lulu Scrimgeour, of Prince Rupert, occupation housewife, intend to apply for a license to prospect for petroleum and natural gas on the following described lands: Commencing at a post planted at the N. E. corner of Lot 592, thence east 80 chains, thence south 80 chains, thence west 80 chains to point of commencement, containing 640 acres, more or less.

Indoor Life

Spending more time indoors makes women far more subject to catarrh than men.

The liver becomes sluggish and the bowels constipated and the system poisoned by impurities.

If you would get away from the myriads of ills which result from constipation, it is only necessary to use Dr. Chase's Kidney-Liver Pills.

The benefits from their use are plain as they are prompt and certain.

Mrs. John Barry, 18 St. James Street, Quebec, Que., writes:

"This is to certify that I was troubled with constipation and tried all kinds of medicines without relief. At last I used Dr. Chase's Kidney-Liver Pills and they gave me relief. I have not taken them since the last fifteen years."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, dealers at Edmondson, Bates & Co., Ltd., Toronto.

The Man in the Moon

SAYS—

THE weather may be cold and shivery, but it is as nothing to the chill the Tories will feel on the morning of December 7.

"Did you marry for love?" inquired sweet seventeen to her married friend. "No," was the reply. "I married because I was crazy."

IF some of the politicians were made to eat their own words it would make them horribly sick.

SOME tanks are under the seats in the launchees and some tanks are found on the seats.

WHY not ask Colonel Peck and Fred Stock where they stand on the basketball situation?

I SHOULD hate to have people vote according to their conscience, for then there would be nobody vote for the Meighen candidate.

ONE of the things that won't get you anywhere is expecting the Independent Meighen candidate to win.

PREPARING political literature is easy enough. The difficulty is to get the electors to read it.

SOME people are interesting; others talk politics.
