
HAPPY WEDDING LAST EVENING

Marriage of Miss Jean Willett and Basil E. Porritt Was One of Events of Season.

The wedding of Miss Jean Willet, daughter of Mr. and Mrs. H. T. Willett, of this city, and Basil E. Porritt, formerly of the local Bank of Commerce staff and now acting manager at Vernon, which was solemnized at St. Andrews' Church of England last night, was one of the most notable events in Prince Rupert Society for some time.

The ceremony was performed by Rev. Canon Rix, Rev. Archbishop F. H. Du Vernet assisting. The church was beautifully decorated and the assembled friends of the bride's family filled its pews.

The bride entered the church at 8:30 on the arm of her father preceded by little Misses Margaret Beaumont and Amelia Pillsbury, who, acting as flower girls, were arrayed in old fashioned frocks and carried lovely bouquets of violets and baby roses in old fashioned holders. The bride carried a beautiful shower bouquet of Ophelia roses. Her gown was a really exquisite creation of Carmacross lace, georgette crepe and satin with orange blossoms.

G. Whitehead was the groomsman and the bride was given away by her father. S. Bazzett-Jones and Alex Rix were the ushers.

After the ceremony the guests assembled at the home of the bride's parents in the Waldron Apartments which were beautifully decorated with roses, giant chrysanthemums and fern. A buffet luncheon was served and music and dancing followed. The halls of the building were thrown open for the occasion.

The ladies present wore tasteful gowns among them being: Mrs. H. T. Willett, the bride's mother, a handsome gown of electric blue sequine and satin, Mrs. G. Whitehead, matron of honor, in charming apricot crepe de chine; Mrs. F. H. Du Vernet, purple silk and lace; Mrs. R. Beaumont, jade crepe; Mrs. E. A. Wakefield, midnight blue and black; Mrs. G. A. McNicholl, white and black; Mrs. J. F. Ritchie, blue brocade velvet and ermine; Mrs. H. O. Crewe, peach pink; Mrs. G. A. Woodland, black satin and red; Mrs. C. H. Orme, blue net and silver; Mrs. H. L. Carruthers, black and ermine; Mrs. H. St. G. Lee, pink georgette and crepe.

The gentlemen present included: H. T. Willett, G. Whitehead, Bishop Du Vernet, Canon G. A. Rix, R. Beaumont, E. A. Wakefield, G. A. McNicholl, J. F. Ritchie, H. O. Crewe, G. A. Woodland, C. H. Nicholls, L. Moore, S. Bazzett-Jones and Alex Rix.

Mr. and Mrs. Porritt sailed for the south on the Prince Rupert and after a fortnight's tour will take up their residence in Vernon.

At the school board meeting last night it was decided to place an amount in the school estimates for next year sufficient to provide a school nurse. There were two applicants for the position, Miss Ella C. Davidson and Miss Margaret Murray. Dr. Kergin, Dr. Tremayne and Principal Campbell were appointed a committee to try to arrange to fill the position.

MISS RIVET LEAVES

Place Will Be Filled by Supervising Principal and Also New Receiving Teacher.

The resignation was received last night of Miss Laura E. Rivet, of the local teaching staff, who explained that her mother was ill in England and she would have to go to her. She will leave at the end of the year and steps were taken by the school board last night to fill the position. Two applications were received and H. L. Campbell, supervising principal, will engage a teacher to take the place and will also make an effort to fill the position of receiving teacher at the beginning of the next term, there being a new teacher required owing to the large number of new pupils expected. Mr. Campbell said he thought there would be about sixty little folks present themselves.

Mr. Campbell expressed appreciation of the services of Miss Rivet and the board passed a resolution ordering a letter of commendation to be sent her before she leaves.

The question of making a grant to the school library next year and placing $100 in the estimates for that purpose, was brought up by Mrs. Ling at the meeting of the school board last night. The department of education would give $50. The matter will be considered in connection with the estimates.

Miss Marcellus, who is leaving on an extended holiday at the end of the school year, made some recommendations in regard to the domestic science department at the meeting of the school board last night. Miss Stephens of Vancouver will take the position while Miss Marcellus is away, which will be until the summer holidays. Miss Marcellus also reported the result of a recent festivity in their department and Dr. Kergin expressed on behalf of the board, appreciation of her work.
