STARTLING DISCOVERY
MADE IN REGARD TO
REFRIGERATOR CARS

(Continued from Page One.)

the business. Even the farmers in the interior were disappointed when business here was poor as they could not sell their produce. In addition to the telegram circulators will be prepared and sent to every member of the Dominion Parliament stating the case clearly and concisely.

Before the meeting copies of letters giving a resume of the situation were passed around.

Work Proceeding.

A letter received by the secretary of the Fisheries Association from Jas. H. Conlon, director of the publicity and marketing department of Marine and Fisheries, on December 28 said:

"Regarding your request for information as to the possible date when delivery will commence of the thirty new express refrigerator cars, there is no accurate information yet available. A few days ago Mr. C. A. Hayes of the Canadian National Railways advised us that the work on these cars was proceeding rapidly and he hoped to have them in service, largely for the accommodation of fish traffic for Prince Rupert in the spring."

From Hanna.

From the same man comes another letter on January 3: "With further reference to our letter of December 28 respecting shortage of refrigerator cars at Prince Rupert, the department has received from Mr. D. B. Hanna, president of the Canadian National Railways assurance that the fifty cars ordered last spring will be delivered not later than March next, and he promises that as soon as this equipment is delivered Prince Rupert may expect an improvement in the situation."

Somebody Lying.

Naturally having had so many promises from the Government representatives and heads of the railway, none of which were fulfilled, the conviction grew locally and among members of the fisheries association that somebody was doing some tall lying. On January 28 James Lee, secretary

of the local branch of the Fisheries Association, wired A. L. Hagar, president, at Vancouver explaining the whole situation. Mr. Hagar replied saying he had asked Secretary Wallace to take the matter up with President Pillea of the Express Co. and expressing sympathy with the local position.

Pullen replied to Mr. Hagar that he had no power but was forwarding the wire to railway officials. Mr. Hagar then wired F. W. Wallace at St. Anne de Bellevue, Quebec, as follows:

Community Aroused.

"Your wire first Pullen's answer you to me and Rupert positively unsatisfactory entire Rupert community thoroughly aroused over unfilled promises extending over many months and apparent lack of interest by Pullen and other officials Johnson spent last evening with me discussing situation. March delivery absolutely unsatisfactory and no one believes that new equipment available even that date. What is wanted is definite information not promises and guesses. Can you arrange interview foreman of shop or delegate some capable party to inspect cars at shop supposed to be building and wire me result earliest possible our association should secure this information for Rupert citizens and shippers by this method as other methods have failed will you act?"

Thompson Sent.

This was forwarded also to Mr. Lee who replied expressing appreciation of the action of the association in sending a man to visit the company to find out the condition at first hand, and a telegram was soon received from Wallace saying: "We have furnished our Mr. Thompson at Toronto with full particulars regarding express cars and instructed him to visit National Steel Car Co. at Hamilton and report progress. Will push this matter strongly."

Hagar wired back that he trusted Thompson would dig right into the actual facts reporting promptly and fully.

The final wire received was that quoted which showed that the fears of the local people were justified.

Would Have Been Saved

also five weeks suffering and loss of wages if Mr. C. Oakley of Saskatoon, Sask. had got Zam-Buk when he first happened his cut leg. However, experience of Zam-Buk's amazing healing power has "opened his eyes." You won't find him without it to-day.

"While employed in a stone yard, I cut my leg very badly," writes Mr. Oakley. "A doctor sewed up the wound and attended me for five weeks. All the while I was off work. At the end of it I was advised to go to hospital."

"After I paid over \$40 to the doctor I determined to try Zam-Buk. Within two weeks Zam-Buk had so healed the wound that I was able to return to work. Further treatment made the limb quite sound. Thus one dollar spent in Zam-Buk did what a forty-dollar treatment had failed to do! I shall never be without Zam-Buk again."

This herbal Zam-Buk is powerfully antiseptic. It's the best known and most reliable remedy for eczema, cold sores, ulcers, piles, abscesses, poisoned wounds, scalp disease, chilblains, cuts, burns, scalds and all injuries. 50c. box, all druggists. TRIAL SAMPLE from Zam-Buk Co., Toronto, 1c. stamp.

PRINCE RUPERT TIDES

Friday, February 25.

High, 3:22 a.m., 21.1 feet.

4:45 p.m., 20.7 feet.

Low, 9:38 a.m., 3.7 feet.

21:48 p.m., 4.4 feet.

Saturday, February 26.

High, 4:3 a.m., 21.4 feet.

16:34 p.m., 19.2 feet.

Low, 10:25 a.m., 4.5 feet.

22:30 p.m., 6 feet.

The time used is Pacific Standard, for the 120th Meridian west.

It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same.

The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps.

Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

Applications for grazing permits under grazing act 1919.

Applications for permits to graze livestock on the Crown range within each Grazing District of the Province of British Columbia during the grazing season of 1921 must be filed with the District Foresters at Cariboo, Cranbrook, Port George, Kamloops, Nelson, Prince Rupert, Vancouver, Vernon or with the Commissioner of Grazing, Department of Lands at Victoria, B.C., on or before March 31, 1921.

Blank forms upon which to submit applications may be obtained from the District Foresters at the above named places or from the Department of Lands at Victoria.

The grazing of livestock on the Crown range without permit constitutes trespass, prohibited by law.

MARTIN LUTHER
ANNIVERSARY

Preparation for Celebration of Scene Before Famous Diet of Worms

NEW YORK, Feb. 25.—Eighty millions of Lutherans and innumerable other Protestants, it was announced here yesterday by the National Lutheran Council, will participate in a world-wide celebration on April 17 of the 400th anniversary of the arraignment of Martin Luther before the Diet at Worms.

"When Luther nailed his ninety five theses upon the door of the University of Wittenberg and refused to recant his alleged heresies despite the threat of excommunication," says the statement of the Council, "he helped to usher in modern religious and civil liberty. Denouncing as tyranny the enslavement of Christian conscience, the dauntless monk declared the Bible to be the only infallible rule of faith and practice and closed his defence with the words: 'There I stand, I can do naught else. So help me God! Amen!'"

The main purpose of the celebration, it is stated, is to obtain a clearer understanding of how Lutherans and Christians of other denominations throughout the world may become "more effective in bringing God's will to bear powerfully upon present unhappy world conditions." To this end, special congregational services will be held on Sunday April 17, and at 4 p.m. on that day, the hour when Luther was summoned to confront his judges, all Christians are invited to read the Scriptures, meditate and pray for "purity and unity of the Christian faith, effectiveness in all good work and the advancement of true Christian liberty, brotherhood and universal good-will."

A message from the council, addressed to the Lutherans of every land, recommended the quadricentenary as "a fitting time to review the benefits inherited from Luther's unshakable utterance. The tribunal before which Luther appeared was the most imposing assemblage of church and state potentates that could have been gathered anywhere in the world at that time."

MISS RYAN SAYS
STEWART WILL BE
GOOD TOWN SOON

Among the passengers going south on the Prince George last night was Miss Kate Ryan, the famous pioneer woman of the north, who is making a short run out from the Stewart mining camp. She rushed into the Yukon over the trail in '98 and has lived at eight or nine mining camps in Canada and Alaska at different times.

Miss Ryan is enthusiastic over the prospects of Stewart this year. She says that last year an attempt was made to boom the place, but it failed. This year the real miners and people with money are coming in and there will be great developments and a good town. She is particularly keen over the prospects of the Marmot River properties which she says will be developed this year.

Ten Years Ago
in Prince Rupert

February 25, 1911

In honor of the coronation of King George V, it is announced at Ottawa that there will be a special issue of postage stamps.

Following an able address on reciprocity by J. S. Cowper last night, the Prince Rupert Association went on record as favoring a treaty between United States and Canada. The resolution was moved by George R. Naden and seconded by Dr. W. T. Kergin. A. J. Morris presided.

The men working on the Kiselas tunnel have gone on strike, demanding higher wages. Muckers want an increase from \$3 to \$5.50, while machine men are demanding from \$4 to \$5.

O. B. Smith, superintendent of the Granby mines, predicts that the Hidden Creek property at Anyox will soon be one of the biggest copper producers in the province.
