

He Likes to Wash With Lifebuoy

Velvety lather cleans and refreshes every pore of his skin. It makes him feel fit all over. He "looks" the difference. It is delightful and inspiring to wash with Lifebuoy.

The "health" odour in Lifebuoy is not a perfume but the odour of a medicine—but a pure hygienic odour that tells you instantly why Lifebuoy purifies and protects—why it improves your skin.

Lifebuoy "smells clean". It is as pure as soap can be made. The velvety smoothness of a wash with Lifebuoy is a delight which is denied to those who use only ordinary soaps.

Try a cake of Lifebuoy to-day. You can get it at any grocery, drug or department store.

Those Nasty Little Pimples That come on the Face Are Caused by Bad Blood

Many an otherwise beautiful and attractive face is sadly marred by the unsightly pimples and various other skin troubles, caused wholly by bad blood.

Many a cheek and brow cast in the mould of beauty have been sadly defaced, their attractiveness lost, and the possessor of the "pimply face" rendered unhappy for years.

Their presence is a source of embarrassment to those afflicted as well as pain and regret to their friends.

There is an effective remedy for these facial defects and that is Burdock Blood Bitters, the old reliable medicine that has been on the market for over 40 years.

It drives out all the impurities from the blood, and leaves the complexion clear and healthy.

Mrs. James Williams, Waterford, Ont., writes:—My face was covered with pimples for nearly a year. I used different kinds of remedies to get rid of them and finally thought there was no relief. A friend dropped in one day and told me I should try Burdock Blood Bitters. I did so and used three bottles, and found the pimples were all disappearing from my face, and now I have a clear complexion again."

DISTURBANCES ARE POSSIBLE IN GERMANY

Violent Propaganda Against Decision of Paris Conference Rouses People.

BERLIN, Feb. 25.—There is serious apprehension here that the extreme Chauvinists may attempt to provoke disturbances during the sittings of the London conference on reparations and disarmament and there is even a possibility at a coup d'etat being discussed.

This is the result of violent propaganda against the decisions of the Paris conference by pan-Germans.

TURNEY BACK FROM OTTAWA

No Definite Announcement as to Commencement of Ship Work Pending Final Settlements

H. J. F. Turney, secretary-treasurer of the Wallace Shipyards, returned last evening from Ottawa where he has been for some weeks with other members of his firm in connection with the closing of the contract for the completion of the Canadian government merchant marine ships in the local shipyard. Mr. Turney will be here until next Thursday at least.

Speaking to the News at noon, Mr. Turney stated that he had nothing definite to give out as to when the work in the local yard would commence, this depending on the final development of affairs between the government and the creditors. He is, however, hopeful of an early commencement, for the air now seems to be clearing.
