LOCAL VESSELS TAKING SHAPE

Hull and Deck Work on Canadian Scottish Well Advanced for Launching

The name "Canadian Scottish" has already been lettered on the bows of the first vessel to be launched from the ways at the Hays Cove shipyard and the construction of the big 8,000 ton vessel, which will slip into the water on May 12, is now well advanced. The decking from the fore-sheer to the afterdeck is laid and the hull and cabin work is nearly completed.

The fittings for the boat are commencing to arrive and the six wings of the two propellers were laid down in the vessel last week. Great progress has been made on the work since the Wallace Shipyard took over the vessel a few weeks ago, and the construction is going ahead with despatch.

The second vessel, the Canadian Thrasher, is also taking shape quickly and her launching should follow not so long after her sister ship is in the water. The yards around her are strewn with the steel plates all marked and numbered for their positions in the hull of the vessel.

SPECIAL GRANT BY COUNCIL TO PAPER

F. S. Wright Gets \$50 for Plain-dealer and Council Gets Pictures Published

An application from F. S. Wright, publisher of the Plain-dealer, that a grant of \$50 be made towards the special number of that publication that is being put out on May 12, launching day, met with opposition by some of the members of the council last night, but was granted on the tie vote of the council and the casting vote of the mayor.

Not So Fair
Alderman Parker pointed out that he opposed the grant first on account of the strained financial situation and second on the principle that it would not be fair to the other three publications of the city. No doubt the other papers would be having special issues and he would not favor the precedent of granting to one if the council was not prepared to grant to all. Alderman Dybhavn also backed up this viewpoint, stating that he would not blame the other papers for also asking for grants if this were given.

The Vote
On the vote being taken Aldermen Perry, Kelly, McNeill, and Kerr favored the grant, while Aldermen Silversides, Frizzell, Dybhavn and Parker opposed it. Mayor Rochester declared the motion for the grant carried. The photographs of the mayor and council are to appear in the special issue.

JACKSON BOY GETS \$2,000 ON ACCOUNT ACCIDENT LAST YEAR

As an outcome of the threatened suit of Jackson vs. the City of Prince Rupert over the affair last Dominion Day where a small boy had his hand badly mutilated by an exploding fire cracker, the council last night decided to accept the report of the committee recommending that \$1,000 be paid by the city to the parents in two instalments of \$500. An additional sum of \$1,000 is to be paid by the Sons of Canada and other persons sued in the matter.

ALEX. PAUL WEDDED IN VICTORIA LAST WEEK—COMING NORTH

Last Thursday afternoon the wedding took place quietly in the home of the bride's parents at Victoria, of Elizabeth Eva, daughter of Mr. and Mrs. H. J. Scott, Grainger Road, and Alexander Sylvester Paul, son of Professor and Mrs. E. B. Paul, Richmond Road.

The bride wore a beautiful wedding gown of white satin with veil of Honiton lace and wreath of orange blossoms, and was attended by her sister, Miss Constance Scott, while Sydney D'Este supported the groom. Mr. and Mrs. Paul will arrive in Prince Rupert shortly and will make their home in this city. Mr. Paul formerly was in the local government office and up to a few weeks ago was with the Premier Gold Mining Co. at Stewart.

The Man in the Moon SAYS—

NO one minds the baseball on Sunday. Its the language.

EVERYONE feels better this week than last. There are no more income tax returns to figure out this year for the Dominion Government.

THE latest song hit is "Oh for a country without a tax collector."

IN the concert of nations the small countries will be allowed to hold the music while the others play the tune.

THE laziest man in the world is the one who, if he starts something is too lazy to stop.

HOW chic the girls all look in their spring dresses!

AND talking of fashions, everybody seems to like the present skirts, as long as you don't have to hide behind them.

SOMEONE wants to know if poisoned gas is measured by the kill-o-meter or the scent-o-meter.

A distressing combination is an ugly face under a loud hat.

ONE of the saddest sights in the world is that of bald headed man trying to hide the fact by spreading a wisp of hair over his shiny pate.

PRINCE RUPERT people ought to be happy since the liquor board has decided to take over and operate a number of breweries for their sake.
