MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities--Macdonald's has always been recognized as the smoke.

MACDONALD'S CUT "BRIER"--the same tobacco but in new form--maintains every Macdonald tradition since 1858, and gives to smokers--more tobacco for the money.

Another Epidemic of the Spanish Influenza

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake and those who did survive were left in a great many cases with some serious after effect such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are (1) thin, (2) shaky, (3) not just right, (4) nervous, (5) a little shaky, take a few boxes of Miltburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "Flu" before and it left you with any bad after effect Miltburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer, Keppel, Sask., writes: "I wish to inform you of the great good Miltburn's Heart and Nerve Pills did for me. After a bad attack of the Spanish Influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and must say they are the best I ever used, and I have taken a great many different kinds. I will always keep Heart and Nerve Pills in the house."

Price 50c. a box at all dealers or mailed direct on receipt of price by The T. Miltburn Co., Limited, Toronto, Ont. Adv.
